project by putting on luncheons and programs to educate our members about our research on Nevada women.

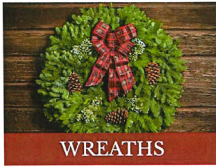

This past year she has presented the women of the Mudd/Gosse family, a successful group of Northern Nevada women activists.

A former history teacher and WCSD principal, Patti's family came to Nevada shortly after statehood. She is a graduate of Carson High School, and received both her bachelors and master's degrees from UNR. Retired from her Principalship for Washoe County School District, and being quite aware of the lack of information on Nevada women readily available to the general public, Patti plunged into a '2nd career' working with the NWHF in conducting oral histories and collecting other types of information on women throughout the state. Her daughter Chelsea, is a speech pathologist in Carson City.

Stacy Asteriadis gave her "180" talk at our last meeting. Thank you Stacy for an excellent and informative presentation!

A photograph showing three people silhouetted against a bright, hazy sunset sky. They are climbing a large, dark rock formation. One person is at the top, another is in the middle, and a third is at the bottom, reaching up. The scene is inspirational and motivational.

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
