The Rotary Club of Reno works locally and internationally to: promote peace; fight disease; provide clean water, sanitation, and hygiene; save mothers and children; support education; grow local economies; and protect the environment.

Our mission is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders. Visit us at: **renorotary.org**.

Dan Lee

Bell helicopters, Hughes, Blackhawks, Jayhawks, and even the giant Chinook. He has saved dozens of lives and found and recovered the bodies of dozens more people.

Here are some highlights of Mr. Lee's long career with the Hasty Team:

- Navigated the backcountry and spent the night in ten degrees below zero weather with someone who froze to death. The next morning, Mr. Lee dug up that person and carried them over miles of rugged terrain back to civilization.
- Jumped out of many rescue vessels in bad weather with four-foot swells, during the night, so he could swim to an uninhabited island to rescue hypothermic boaters.
- Involved in the deepest body recovery in freshwater ever recorded: 1,565 feet deep in Lake Tahoe.

He is a master scuba diver and has been decorated by the Washoe County Sheriff's Department with the Distinguished Medal of Valor for those who have engaged in specific acts of bravery and has received the Medal of Valor twice. Mr. Lee will be sharing insights from his new book of underwater adventures called *Heroes' Treasure*.

Notes

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
