Covid protocol Three Principals we use to beat the Pandemic

Joe Otin, Governor of Rotary District 9212

What distinguishes defining moments in our history is not the nature of the crisis, but rather the quality of the decisions that we make. In the wake of the drastic measures taken by our political leaders to address the outbreak we, as Rotary, have had our own decisions to make. These decisions are guided by three simple principles.

- **The first** one is that individual action has the greatest bearing on the disease, and this includes personal hygiene, social distancing, and other guidelines outlined by the World Health Organization. We must all take individual responsibility to stop the spread of coronavirus.
- **The second** is to support the government in its initiatives to flatten the curve as indeed it is the concerted effort by the private sector, public institutions, development organizations, and society as a whole that will stop this threat.
- **Thirdly**, it is in sharing messages of hope and reminding people that together we will prevail, and that the disruption in our lives is not only momentary but it is also a crucial part of continuity.

RYE Host Family Needed

We are in need of a host family for an RYE student next school year. This would be a commitment of 3.5 months. The exchange student will be attending Galena HS, so living in the South Reno area would be preferred. If you are interested or would like further details, please reach out to Bill Creekbaum, william.creekbaum@morganstanley.com

Notes

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
