We Meet on Monday's at Noon at The National Automobile Museum

Monday's Program

Ioana Corompaki

Autism Education

Our speaker is Ioana Corompaki, a teacher of autistic children from Oradea, Romania. She will share with us the work she is doing and showing some before and after examples of some of the children.

She was selected as a member of a Group Study Exchange team which came to the US to work with teachers of autism. She took everything she learned back to Romania and held seminars for teachers throughout her country to share what she had learned - and this was all done at her own expense.

Rotary responds to earthquake that has devastated areas of Turkey and Syria

RI President Jennifer Jones activated our disaster response efforts, communicated with the affected districts, and encouraged governors in those regions to apply for disaster response grants and share information about their relief efforts so that Rotary can amplify the calls for support.

The Rotary Foundation Trustees decided that **all donations made, from now until 31 March, to the general Disaster Response Fund will be used to aid earthquake relief projects.** In addition, the Trustees made available more than \$125,000 to Rotary districts affected by the earthquake through District Response Grants.

Rotary's project partner ShelterBox also has an emergency response team assessing the needs in the region and how it can respond.

Here's how to have the greatest impact:

NAM'S ANNUAL HISTORY SYMPOSIUM - THE 1910S: PAVING NEW ROADS

April 19, 20 & 22, 2023

The 1910s brought about significant moments of change in Nevada and the rest of the United States, including women's right to vote, the birth of the assembly line, and the creation of the Nevada Highway Department. This April, the National Automobile Museum will host its annual history symposium for the public, with this year's focus shining light on great strides made during the 1910s and some of the most significant events of the era.

NAM symposiums are always open to the public, and all have been approved by the Nevada Department of Education for teachers to earn in-service credit.

Registration: Tickets \$60 per person, available at www.automuseum.org

the **4** way test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
