**Meet at the Silver Legacy - Silver Baron Rooms**

## Monday's Program

### Rew Goodenow

*Climbing Mt. Kilimanjaro*

After graduating from the University of Iowa College of Law, Rew Goodenow moved his growing family to Reno. Quality of life was a strong influencing factor. The mountains, lakes and streams provided the natural amenities they were seeking.

A busy law practice makes pursuing mountain climbing difficult. Now that their four daughters are grown, graduated and having grandchildren, Rew and Sue have the time and to train and enjoy living out of a tent in the mountains. Their next big adventure is a bike ride across the United States, but that is another story.

Rew is a shareholder and former director of the multistate firm, Parsons Behle and Latimer. He practices primarily business law, representing a variety of businesses interests in transactions ranging from formations of new ventures to complex mergers and acquisitions. During the past ten years, he has been principal counsel in many large mining acquisitions and divestitures totaling well in excess of several billion dollars. He also has been active in the state and local bar associations, serving as president of the State Bar of Nevada and of the National Conference of Bar Presidents and, most recently, on the Board of Governors of the American Bar Association.

## the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
