Monday's Program

Jim Faulds, Ph.D.

Nevada State Geologist

**Living on the Edge in Western Nevada:
Our Rapidly Evolving Geologic Setting.**

Jim Faulds is the Nevada State Geologist, Director of the Nevada Bureau of Mines and Geology (NBMG), and Professor at the University of Nevada, Reno (UNR). NBMG is a research and pub-

lic service unit of UNR and is the state geological survey of Nevada. Faulds is a geologist with ~35 years of experience. He has been with UNR and NBMG since 1997, first as Professor and then serving as NBMG Director since 2012. Prior to joining UNR, he was an Assistant Professor at the University of Iowa and held Post-Doctoral positions at both UNLV and the University of Southern California. He earned his B.S. at the University of Montana, M.S. at the University of Arizona, and Ph.D. at the University of New Mexico. He has studied crustal deforma-

tion in many parts of the world, including much of the western U.S., western Turkey, and New Zealand. His research has focused on how fault systems initiate and evolve through time. In recent years, he has been analyzing the favorable fault patterns for geothermal activity to identify hidden geothermal systems in the subsurface. His geothermal journeys have included short-term appointments with the BRGM in France and both GNS Science and the University of Canterbury in New Zealand (as an Erskine Teaching Fellow) while on sabbaticals. He has published over 100 papers and dozens of geologic maps. He has also taught courses in structural geology, tectonics, geothermal exploration, and field geology, while serving as advisor for more than 25 graduate students.

Ila Achtabowski, *President & CEO of Nevada Women's Fund*, was our speaker last Monday.

Phoebe Stears-Macauley, *Club President of The Rotary Club of International Exchange*, gave a short presentation about her new Rotary club.

Notes

Rotary People of Action

Rotary is where neighbors, friends, and problem-solvers share ideas, join leaders, and take action to create lasting change.

WE CONNECT PEOPLE

Rotary unites more than a million people

Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

WE TRANSFORM COMMUNITIES

We take action locally and globally

Each day, our members pour their passion, integrity, and intelligence into completing projects that have a lasting impact. We persevere until we deliver real, lasting solutions.

WE SOLVE PROBLEMS

No challenge is too big for us

For more than 110 years, we've bridged cultures and connected continents to champion peace, fight illiteracy and poverty, promote clean water and sanitation, and fight disease.

the **4** way test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
