Meet at the Silver Legacy - Silver Baron Rooms

Monday's Program

Bill Hauck

Water Year In Review

Bill Hauck, Water Supply Supervisor for Truckee Meadows Water Authority (TMWA), will present the latest data on upstream drought reserves, projections for Truckee River flows and how all that relates to our community's water supply. Bring all questions you have

on how TMWA plans for drought years like this one.

Hauck, hydrologist, has a master's degree in water resources and has more than 20 years of experience coordinating the water supply for Washoe County and the Cities of Reno and Sparks. Charged with making the most efficient use of the community's water resources, he forecasts customer demand, projects available water supplies, and develops and implements cost-effective source of supply operating strategies.

Hauck's work is part of TMWA's overall integrated water resources management plan to meet the demands of its water customers.

He is responsible for coordinating the groundwater pumping efforts of TMWA's 92 production wells. He also directs the storage and releases from upstream dams and reservoirs in accordance with the Truckee River Operating Agreement to create effective flow regimes which keep TMWA's surface water treatment plants and hydroelectric plants online.

TMWA is a not-for-profit, community-owned water utility overseen by elected officials and citizen appointees from Reno, Sparks, and Washoe County. TMWA serves more than 440,000 residents throughout the Reno and Sparks area.

Past-President **Craig Wesner** gets the blessing from **Debe Fennell** as the zoom technology goes haywire at our last meeting.

Past President **Phil Mahoney** (far right) presents PolioPlus Society Certificates and Pins to the following Rotarians: (left to right) **Jerry Hall**, **David Spillers**, **John Spears**, **Oliver Grosz**, **Mike Blakely**, **Dave Bianchi**, **Pat Horgan**, **Stefanie Scoppettone**, and **Mike Reed**.

Notes

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.

Lemelson Stem Academy

Could our club help with:

- A **barbecue** and games to welcome families back to school in August?
- **Book Buddies** – Rotary members to come read with students and develop a mentoring relationship
- **Playground Games** – Rotary members could come in at lunch time and engage students in organized games on the playground
- **Guest speakers** in STEM careers
- **Garden Helpers** – we are currently updating our school/community garden and will need help with the project

Our club is looking for a lead person to coordinate our efforts. If you are interested, please contact David Spillers, and he will put you in touch with the Principal at Lemelson.
