Chartered August 1, 1916 || Volume 41, No. 40 || May 9, 2022

Meet at the Silver Legacy - Silver Baron Rooms

Monday's Program

Chas Macquarie

Warming World

Chas Macquarie is a member, and past president, of the Rotary Club of Carson City and has been a Rotarian for 21 years. He was active in Rotary Youth Exchange at both the club and district levels for many years

and is a past chair of the District RYE Committee. He is a Paul Harris Fellow.

Chas is a civil engineer by profession and is the former CEO of Lumos & Associates, a local civil engineering, planning, surveying, and materials testing firm. He still consults occasionally for Lumos on bicycle and pedestrian projects.

Chas is active in the Carson City community. He is a founding member of Muscle Powered, Citizens for a Walkable and Bikeable Carson City, and is a recipient of the Lifetime Achievement Award from the Governor's Bicycle and Pedestrian Advisory Board in honor of his work supporting bicyclists and pedestrians.

He has been a climber and mountaineer for over half a century and his interest in the natural environment and concern about the adverse impacts of a warming climate prompted him to join the Carson City Chapter of Citizens' Climate Lobby (CCL) to increase awareness about the issue.

You can join us with Zoom:

Notes

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
