The first Rotary club banner to orbit the moon was carried by astronaut club member Frank Borman on the Apollo flight in 1968.

The first head of state to address an RI Convention was President Warren G. Harding in 1923, at St. Louis, Missouri.

No challenge is too big for us

For more than a century, Rotarians have bridged cultures and connected continents. We champion peace, fight illiteracy and poverty, help people get access to clean water and sanitation, and fight disease. Our newest cause is to protect our planet and its resources.

Notes

the 4 way test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
