Jackie Bryant

City of Reno Budget

City Manager Jackie Bryant comes to the City of Reno from the Second Judicial District Court, where she was the Clerk of Court and Court Administrator. She held that position since November 2014. In this role, Bryant was responsible for the operations of the District Court and oversaw all members of the Executive Leadership Team.

Bryant previously served as a Nevada Governor's Deputy Chief of Staff and General Counsel; Insurance Counsel and Hearing Officer to the Nevada Division of Insurance (DOI); Staff Counsel to the Public Utilities Commission of Nevada (PUCN); and as an Attorney Associate for Holland & Hart. She practiced in the areas of public utility law, insurance law, and administrative law and worked in both the public and private sectors.

Bryant earned a Bachelor of Arts in Political Science from the University of California, Irvine and her law degree from California Western School of Law. She moved to northern Nevada in 1998 to work for the PUCN. She loves the climate and relaxed, authentic nature of Nevadans. On weekends, she spends her time gardening, hiking and riding horses.

rotary youth exchange

The most powerful force in the promotion of international understanding and peace is exposure to different cultures. The world becomes a smaller, friendlier place when we learn that all people — regardless of nationality — desire the same basic things: a safe, comfortable environment that allows for a rich and satisfying life for our children and ourselves. Youth Exchange provides thousands of young people with the opportunity to meet people from other lands and to experience their cultures. This plants the seeds for a lifetime of international understanding.

Notes

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
