Welcome New Rotary Club of Reno Board Members!

Stacy Asteriadis and **Jim Endres** were elected to the board at the last club meeting. Congratulations!! Thank you Stacy and Jim for serving our club in these important roles.

Vic Bucher gave a very interesting 180 talk at the last meeting. It turns out Vic and Harvey Fennell worked at the same accounting firm at the same time, and Vic and Carl have some kind of top-secret knowledge they can't tell us about.

Nominations for Trustees of the Reno Rotary Foundation - Elections for Candidates will be July 25th

The Reno Rotary Foundation (RRF) is now accepting nominations for those Rotarians who have an interest in serving as Trustees during the Rotary Years 2022-2026. Serving as Trustee does require time and commitment monthly. We are available to speak on expectations of the position. Qualifications include being in good standing in the club for a minimum of 3 years with some financial/fiduciary training and/or background preferred. If interested in being considered, please contact Corry Castaneda, Mike Blakely, or Carl Fuetsch. After our committee has received all candidates, we will submit our slate of candidates to the Rotary Club of Reno membership for a vote. Deadline for submitting your name is July 15, 2022.

tion of RAN's tax policies along with state budget concerns and works with legislative leadership in both houses on issues connected to RAN's members concerns. Bryan is charged with coordinating the retail industry's tax concerns while remaining consistent to the Association's tax policies and strategically balancing the issues so that these don't outweigh the policy consideration of RAN's many other priorities. Bryan's job is to narrate the multifaceted context among all of the retail industry's priority issues. Whether the priority is taxes, healthcare, general merchandise, elections, transportation, or employment issues, Bryan coordinates RAN's considerable government affairs team to provide an overall coherent message.

Bryan is a life-long Nevadan and resident of Las Vegas but received his degree in political science from the University of Nevada Reno. When not in legislative session Bryan is also responsible for the management of the Las Vegas offices of RAN and continues to develop policies, legislative communications and election strategies for its members.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary Club
of Reno

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
