worked to deliver on its promise to know every student by name, strength and need so they graduate prepared for the future they choose.

Dr. Enfield began her career in education as a high school English, ELL and journalism teacher in the San Francisco Bay Area. She later served as chief academic officer and interim superintendent for Seattle Public Schools. Her experience also includes leadership roles in Evergreen Public Schools in Vancouver, Washington, Portland Public Schools in Oregon and the Pennsylvania Department of Education. She was named the 2022 Washington State Superintendent of the Year by the Washington Association of School Administrators, and the 2018 Superintendent of the Year by the National School Foundation Association.

A graduate of the University of California, Berkeley, Dr. Enfield has earned masters degrees from Stanford and Harvard University. She also holds a doctoral degree in Administration, Planning and Social Policy from Harvard's Urban Superintendents Program.

Scholarship Program of the Rotary Club of Magkang

July 04, 2023.

Dear Ms. Judith K. Winzeler,

I am writing to thank you and Reno Rotary Club for your continued support and generous donations to the Magkang Rotary Club Scholarship Program. Our club was very happy and grateful to hear that we had been selected as the beneficiary of a US \$4,000 donation; which we received with thanks on June 16, 2023.

The Scholarship Program, inspired by similar programs at sister clubs, was introduced at Rotary Club Magkang in 2014.

We intended to start with a Scholarship program for 4 children. However, in that first year already, due to the efforts of the Project Chair Mrs. Watcharapon that number was increased to 20 students.

In 2016, In memory and in tribute to the late King Bhumibol Adulyadej, who passed away on October 14, 2016 at the age of 89, the Scholarship Program has been increased to the number of 89 students on Matthayom (High School) level on an annual base.

In 2022, for students who completed Matthayom 6 with excellent results and longed to go to University, an additional Scholarship for a Bachelor, was introduced. Starting with a number of 16 Students.

By awarding our Scholarship Program you have lightened our financial burden, which allows us to focus more on the most important aspect to guide the students. Your generosity has inspired us to help others and give back to the community. I hope one day the graduates will be able to help students achieve their goals just as you have helped us.

Sincerely,

Joop van Spaandenk,
President Rotary Club of Magkang.
On the year 2022-2023.
