background as a paramedic and over two decades of experience as a tenured professor, Michael has seamlessly combined hands-on expertise with academic excellence. Under his leadership, the public safety department has experienced an outstanding 45% growth, showcasing his innovative strategies in curriculum development and program management. His efforts in introducing a paramedic bridge program and enhancing outreach to underserved communities have expanded the department and significantly impacted Reno's community. Michael holds a Master's in Higher Education Administration and is currently a Ph.D. student in the same field, with his doctorate set to be conferred by Fall of 2024. An embodiment of dedication, innovation, and leadership, Michael's work continues to pave the way for the future of public safety education.

Notes

No challenge is too big for us

For more than a century, Rotarians have bridged cultures and connected continents. We champion peace, fight illiteracy and poverty, help people get access to clean water and sanitation, and fight disease. Our newest cause is to protect our planet and its resources.

Be an encourager.
(The world has plenty of critics already)

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
