## 2022 Rotary Sculpture Garden Bulb Project

Our goal is to plant an additional 8,100 bulbs this fall. If you'd like to donate, please let us know ASAP. We need to order the bulbs by September 7 to ensure they're here in time for our work day.

We'll have a special bulb planting party when we partner with KTMB for a work day on October 22. Hope you can make it!

If you would like to donate to this project, please email [LisaJansenNV@gmail.com](mailto:LisaJansenNV@gmail.com)

Rotary members will be billed through Clubrunner for their donations.

Thanks!

Lisa Jansen

The second ship from Project CURE/ Philadelphia is now scheduled to dock in Mombasa on 9/1/22 with the new PACs computer and monitors and all the donated equipment/supplies from Denver.

## **Lithium Battery and E-Waste Recycling Event**

Please join us on September 24th at the National Automobile Museum from 9:00 a.m. to 1:00 p.m. as we partner with The Reno South Rotary Club, Redwood Materials and Computer Corp to collect Lithium Batteries and E-Waste from the Community for recycling. We are looking for a few more volunteers, so please let me know if you are available to help out and tell your friends and neighbors to come by drop off their e-Waste!

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.

## the 4 way test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
