Meet our Newest Member!

Colburn Shindell

Classification: Education | Sponsor: Jerry Hall

Not all club members were in attendance August 29 and missed meeting our newest Rotarian, Colburn Shindell, so here is a short summary in Colburn's own words.

I am grateful and honored to be inducted as a Rotary member. I am especially grateful to Jerry Hall for sponsoring me. He is a capable and wise steward of this club and Rotary at large. I am also grateful to Phil Mahoney, who was the first Rotarian I knew when I was his daughter's English teacher at Sage Ridge School. Later, he and I worked together to place Rotary Youth Exchange students at Sage Ridge School. In addition, Charlie Dodson and I worked together for several years at Sage Ridge. I have deep respect for Charlie and appreciate the kindness he has always shown me. These three gentlemen have set examples for me, and I hope to emulate their service above self, integrity and fellowship.

In a way, the club is getting a two-fer. My wife, Deborah, is a professor at the UNR Orvis School of Nursing and has worked assiduously with Jerry on various Rotary projects to advance the nursing school in Bwindi, Uganda. Deb and I have been married 25 years. We met as outdoor educators in California in the mid-90s. She is a river guide and I a backpacking guide and rock-climbing instructor. We moved to northern Nevada in 2001 and have lived here ever since. It is a great place to raise a family. We have two children, Lucia who is 19 and Mac who is 17.

In 2013, I left my position at Sage Ridge School after ten years in various teaching and leadership roles. Deb, Lucia, Mac and I pulled

up stakes to travel the world for the better part of five years. We travelled to many places, utilized a variety of transport, learned from many people and cultures all the while home-schooling our children. I taught English as a second language at Western Nevada College throughout the past several years, yet I have retired from teaching looking to serve in other ways after 30 years in education. My wife and I have stayed active with several non-profit organizations in sub-Saharan Africa. I serve on the board of GLOBIO and Chimfunshi, USA.

As a member of this Rotary club, I look forward to learning from its members and contributing to our goals. I will utilize my experience in education, love of service, and passion for international relationships and engagement - all in the service of our Mission. Thank you.

REDWOOD
MATERIALS

Lithium Battery and E-Waste Recycling Event

Please join us on September 24th at the National Automobile Museum from 9:00 a.m. to 1:00 p.m. as we partner with The Reno South Rotary Club, Redwood Materials and Computer Corp to collect Lithium Batteries and E-Waste from the Community for recycling. Redwood Materials and Computer Corp will provide the barrels and we will gather the materials to be recycled from people as they drive through. This will

be a multi-location event as The Rotary Club of Carson City will be holding the same event at the same at Carson High.

We are looking for a few more volunteers, so please let me know if you are available to help out and tell your friends and neighbors to come by drop off their e-Waste!
