MONDAY'S PROGRAM

Dr. J.T. Stark

Predictive Analytics and AI

Dr. JT Stark is a Harvard Fellow, a district leader in data analytics and artificial intelligence at Washoe County School District, and a graduate professor in the University of Nevada's Executive

MBA program, where his course focuses entirely on integrating AI into business processes. His work centers on turning complex systems and data into clear, actionable insight for the people who serve students every day. Born and raised in Reno, JT is on a mission to transform how students and educators are supported, here in our community and nationwide.

PEOPLE OF ACTION

Club of Reno

Of the things we think, say or do

first Is it the **TRUTH?**

second Is it **FAIR** to all concerned?

third Will it build **GOODWILL**
and **BETTER FRIENDSHIPS?**

fourth Will it be **BENEFICIAL** to all concerned?
