

SPONSORSHIP OPPORTUNITIES

FOR BENDROTARY.ORG WEBSITE

We have a website sponsorship available on ClubRunner for Rotary Club of Bend. The purpose of this sponsorship opportunity is two-fold. It provides you and your business an opportunity to advertise on BendRotary.org and it provides the necessary funds to maintain the site. Here are the details:

1. Your business logo will be listed in an area on the home page along with all other sponsors – this scrolls through each logo and there is a hyperlink to your business website. The logo is a maximum of 150 pixels wide in order to fit in the ClubRunner profile and the height is variable.
2. All sponsor logos will also appear on all internal website pages. The logo will also include a dynamic link to your own homepage.
3. In addition your company will receive one month of each year for a feature story or advertisement on your business. You are responsible for providing the feature. You will be reminded a few weeks ahead of your assigned month to submit your feature or ad.

COST FOR THIS SPONSORSHIP IS \$100/SPONSOR/YEAR.

Please fill out second page if you haven't been a sponsor before. If there are any changes to your website address or a logo update that we might not have, please send those. You are welcome to simply respond via an email that you would like to participate, however, please also tell me the month you would like your highlight or advertisement features. I try to keep them to two highlights a month. I will let our Treasurer know of your sponsorship so he/she can bill your account. **All proceeds will go to the Rotary Club to offset club technology costs.**

Please contact Kim McNamer (kimmcnamer@gmail.com) or 503-866-8528 if you have any questions. Thank you for supporting our Rotary Club of Bend.
