

## Polio in Pakistan

We showed a video at the 6/1/2016 club meeting. I vowed to share the link for this file to each of you that may wish to view it yourself or pass it on to others. The mp4 file is very large (over 400 MB) and as such it cannot be sent by email. The download files section of Club Runner is also limited in size, in this case limited to 10 MB. Thus I had to go another route.

I have placed the file on Dropbox and by clicking this link you should be able to see this file. If you pass on this link to another person (test it first) then they should be able to do this as well.

Here is the link: <https://www.dropbox.com/s/r24fevq7asxb9vl/Polio%20in%20Pakistan.mp4?dl=0>
