Upcoming Programs:

The Great Gold Country Community Auction was a huge success! Stay tuned for the final committee report but it looks like we exceeded our goal of raising \$10,000. Thanks to all the Sponsors, Donors and Bidders!

Bob Long announced "This year we are planning to add a new event to the Gold Country Challenge. We want to, with the help of The Union, the GV Chamber, and the Downtown Association, resurrect the "Kids Ride" around downtown. We begin the planning next week." Bob needs a volunteer to Chair this part of our weekend event. He added, "The line will begin in columns of two to the right of my office door. Please, someone consider taking on this job."

From Pat Ward: The Audio/Visual committee is looking to expand. Once the club returns to in-person meetings at the Wild Eye Pub we will need to broadcast the meeting to the members who are still connecting via ZOOM. If you have an interest in technology, please consider joining the team.

RALLYE week is fast approaching. This is the culmination of the Rotary year 2020-2021 on the District level and the welcoming of our very own Anita Daniels as the DG '21-'22. The cost to attend is \$59 and that amount will be credited back to you by the club. You just need to submit the receipt to Treasurer Bob Long and he will take care of it. Hope to see many of you there!

Meeting Notes April 5, 2021

The meeting officially began at 12:15 p.m. with a pledge led by Larry Faller and a Thought for the Day inspired by a quote from Thomas Edison.

It's looking like President Seth's Bell took to the bunny trail and had a hoppy good time relaxing in the garden. Who knows if Bell will make it back to Seth's desk in time for demotion!

In addition to the annual Rotary at Work Day, there may also be a Rotary Day of Service that could include a number of local Service Clubs. It would be a major project and a great way to pull together an amazing group of community volunteers. Stay tuned for more details.

Speaker: Beth of the Wild Eye Pub

As if opening and running a restaurant isn't challenging enough, throw in a pandemic and you have a whole new set of parameters to contend with. Beth and David of the Wild Eye Pub took stock of their skills and assets and are excited about the direction the restaurant is going.
