Striving Together Achieving Results

Rotary

GOVERNOR'S THOUGHTS

Club Visits Are Underway

As this is being written, my wife Sandy and I have completed two weeks of Club visits. Or as she calls them, after looking at our schedule, Mr. Toad's Wild Ride. So far we have visited the Rotary Clubs of Tonopah, Ely, Bishop, Bishop Sunrise and Mammoth Lakes Noon. Each Club was very hospitable, unique and reflective of their community. Some distinctive projects were discovered. Information about them and others I learn about from other Clubs will be shared with Club Presidents or articles on the website or in the newsletter. If we have not been to your Club yet we look forward to those visits.

August is Membership and Extension Month

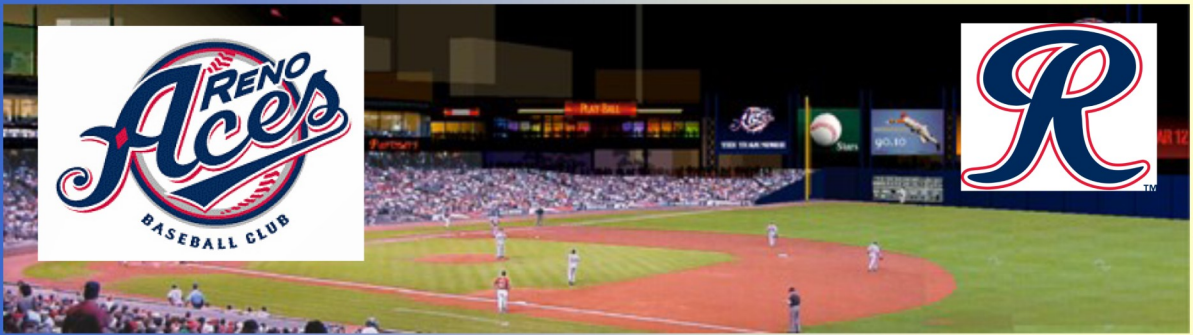

Last year 334 members terminated their membership in District 5190 Rotary Clubs. Of those 38 were honored during the Remembrance portion of the District Conference. Clubs always have a need for new members just to replace those that terminated.

In a study commissioned by Rotary, Rotarians were asked why they joined Rotary and why they stayed in Rotary? These are the results:

	WHY JOIN?	WHY STAY?
Friendship	30.0%	38.4%
Positively Impact My Community	35.5%	36.1%
Networking	18.7%	5.2%
Recognition	4.3%	2.3%
Training	3.3%	3.5%
Positive Impact Globally	8.2%	14.5%

If our Clubs and our District are to grow and prosper the focus needs to be on those things that

GOVERNOR'S THOUGHTS (Con't from Page 1)

matter the most to prospective and existing members. It must start with our attraction criteria, fireside chats and a new induction model that emphasizes friendship, impact on the local community and valuing our members and their work. This must replace the old formula stressing the international scope and size of Rotary for more of a local focus. After induction we need to be sure to engage our members and follow-up with both new and existing members to confirm they are receiving value for their membership. Always of critical importance is to have **FUN**.

The key to making this happen is to insure that every member of our Clubs understands the importance of this new focus. Old scripts for fireside chats and member inductions need to be replaced with new ones that emphasize what is important to our members.

ROTARY YOUTH EXCHANGE SCHOLARSHIP

It is time for District 5190 Rotary clubs to start planning the recruitment of Rotary Youth Exchange Scholars (Students). Starting this year, the District Rotary Youth Exchange program is promoting RYE as a scholarship program. Students (from your community) who go on exchange are hosted by a Rotary club in one of partner countries. The students live with host families, and attend local high schools in their host countries. The scholarship portion of the RYE program includes room and board, school fees, and a monthly allowance. The student pays for travel, health insurance, a blazer, and the costs of the orientations that prepare the student for their year-long exchange.

Depending on where the student spends their exchange year, the value of the scholarship can be up to \$25,000. Consider the cost, in a major European city, of renting an apartment for 12 months, purchasing food, school fees (many schools in other countries have school fees) and living expenses.

As you start to promote RYE to your community, promote it as a scholarship opportunity. The District RYE program has created a marketing flier that is available to help clubs promote the program.

The preliminary outbound application can be downloaded at www.rye5190.org. Preliminary applications are due by October 15th for the 2017-18 exchange year. For additional information, or to received the scholarship flier, contact RYE Executive Secretary Jon Greene at ryexecsec@rye5190.org.

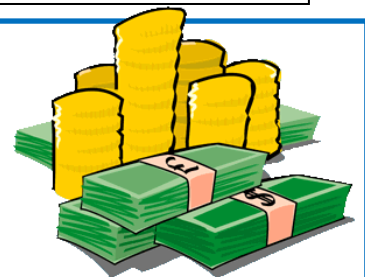

"My dream is that every 17-year-old could become an exchange student. If the world could achieve this, there would be no more wars!"

-Carl-Wilhelm Stenhammar, RI President 2005-06, from his 2005-06 theme address at the 2005

GRANT FUNDS RECEIVED

SUBMIT GRANTS NOW

The District has received **\$99,216.00** from The Rotary Foundation for this year's District Designated Funds. The funds can be used for District Scholarships and District Service Grants (DSG) amongst other things. Approved District Scholarships total \$22,500. These funds will be disbursed as soon as all the paperwork is complete. That leaves \$76,716 available for DSGs. Qualified Clubs with trained members that have submitted a Member of Understanding may submit an application for a grant via the District website. Grants are allocated on a first-come, first-served basis. For questions or to submit signed MOUs Vic Slaughter. His email address is nvdesertrats@charter.net. These funds are based upon District donations to the Annual Fund during the year 2013-2014.

The Youth Exchange Scholarship

provided by a Rotary Club in your community

Valued at up to \$25,000: Room, board, tuition, and a monthly stipend for a high school year abroad.

Have you always dreamed of...

- ▶ Experiencing another culture?
- ▶ Living in another country?
- ▶ Being fluent in another language?

- A one year program
- Stay with up to 3 host families
- You will have a Rotary counselor
- Attend a local high school
- The opportunity to go on tours in your host country

The Youth Exchange Scholarships are made possible by the generosity of our overseas partners and local Rotary clubs in Rotary District 5190 (eastern California and northern Nevada). Qualified applicants must be ages 15 ½ - 18 ½ at the time of departure. The scholarships cover room, board, tuition, and a monthly stipend for one academic year. The student/family pays for the travel, insurance, a blazer, and other items.

The Rotary Club of Bishop has installation of new President, Board of Directors and Executives for their 2016 – 2017 year.

Rotarian Randy Van Tassell inducted new President DeEtte Johnston and her incoming Board of Directors at the June 24th demotion dinner for outgoing President Sue Lyndes. The Rotary Club of Bishop, which belongs to Rotary International, was founded in 1928 and has a rich history of service both locally and internationally. Our club is involved in projects that give back to our local community and benefit those in need around the world. Club members donate many hours of work for over 20 community and international projects. President DeEtte Johnston said “Our club is energetic and I look forward to another year filled with service to our community and the world.” She invites any interested person to join us for lunch, learn about our club and have fun with

some fellow community members who value service to others. We meet every Tuesday at noon at Astorga’s Mexican Restaurant and lunch is \$12.00. Call DeEtte at [760 872 7970](tel:7608727970) for more information about the club.

TAKE ME OUT TO THE OL' BALLGAME

Rotary Day at the Aces will be Sunday August 28, 2016. Tickets are \$20 per person and part of the money goes to Polio Plus. Sign up at <http://tinyurl.com/2016-Rotary-Day-at-the-Aces> This is also a Fan Appreciation Day and it is a \$ Sunday Menu. You can enjoy hot dogs, small popcorn, candy and ribs for just \$1. If you do not live close, car-pool or make a weekend out of it. We look forward to seeing you there. Don't be left out, buy your tickets now.

MAMMOTH LAKE SUNRISE SURRENDERS CHARTER

We are sorry to report that on June 29, 2016 the Rotary Club Mammoth Lake Sunrise voted to surrender its Charter. Thus we have lost a Club and its ten members. The Club was chartered on March 15, 2001. For the last several years the Club has had some issues that it was just not able to overcome. With the exception of a Grant Management Training Seminar held in Mammoth Lakes, they had not recently participated in any District or Zone training including pre-PETS, PETS, Assembly and the Membership Seminar. Whether this contributed to their demise is of course unknown.

Two Elko Desert Sunrise Members will walk the 500-mile El Camino in Spain to raise awareness and \$15,000 to end polio, worldwide.

Helen Hankins and Mike Mauser, believe that no child anywhere should suffer from polio – a completely preventable disease. Rotary International in partnership with the World

Health Organization, UNICEF, CDC and the Bill and Melinda Gates Foundation, has been a leader in the fight to eradicate polio, worldwide. Thirty years ago polio was in more than 120 countries now it is in only two. Until it is fully eradicated, the risk of a pandemic remains.

The 90 day campaign begins Thursday July 21 and ends in October, just before World Polio Day on October 24. The 500-mile walk will begin in St. Jean de Pied de Port, France in late August and end in early October at the Cathedral o St. James in Santiago de Compostela. Mike and Helen will walk in honor of fellow Rotarian Sarah Sweetwater (1940-2015). Sarah was a polio victim and an active campaigner against polio. She traveled to Ghana and India to immunize children against polio. Mike and Helen have started the fund raising off by their own donation of \$1,000.

Rotarians are urged to contribute today to encourage Helen and Mike and to support polio eradication at <https://givingtrail.org/campaigns/200050/end-polio-now> 100% of all donations will go to the Rotary Foundation. Every dollar pledged will be matched 2:1 by the Bill and Melinda Gates Foundation. Updates will be provided periodically about the walk on this same website.

TEAM WORK MAKES THE DREAM WORK

Effective communication is the key to success. With the wide spread area covered by District 5190, it is critical that the sixty clubs under DG John Sullivan’s leadership are aware of what the various clubs are doing to make this world a better place. Whether it is local community projects or international projects funded with RI Foundation money, it would benefit us all to know what our fellow Rotarians are up to. Fellowship items are also fun to share. Maybe a club project that is being performed in one area could be picked up on and improved UPON in another.

As the new newsletter editor for the district’s communication source, I believe in sharing, sharing, sharing. Pictures are the one thing that could make a good news article a great news article. Maybe that’s just the photographer in me (my classification is “Portrait Photographer”) but I would like to see lots and lots of photographs in the month’s to come.

When submitting photographs, please send me JPG’s, PNG’s or TIFF’s that are about 800pxl

Con’t on Pg 8

DREAM WORK... Con't from Pg 7

on the longest side. Please include caption information with each photo (or group of photos) so that we know who is in the photo, what the photo is showing and who took the photo.

I am using a PC so I cannot accept MAC based word files. ALL articles and photos must be compatible with current PC standards and should be less than 300 words (?). Another option would be to embed your message in the email rather than making it an attachment. If in doubt, please include your phone number with any emails that you send me so that I can reach you if I have any questions, problems or concerns.

Please note that I am a photographer by trade, not a word smith. Therefore I will be simply cutting and pasting any articles that you send me. Unless there are any glaring errors, I will be accepting what you send me at face value. Any information that you would like to include in the newsletter should arrive in my inbox (dirk@wentlingstudio.com) by 20th of each month.
