

## District 5190 “Making a Difference” Newsletter

Dear District 5190 Rotarians:

Here are a few excerpts from a recent letter from Rotary International President Ian Riseley. He and his wife, Juliet, visited Northern California in early January, and spoke at a dinner in San Jose. His comments below echo the key points that he shared with us. They deserve highlighting and sharing with you!

*“As we pass the halfway point of this Rotary year, it’s time to take stock of what we’ve achieved so far and what we still have to do. The Rotary Citation is not only an honor, but also a useful tool that helps clubs plan their service. If you’re on track to receive a citation, congratulations! Your club is well on its way to a very productive year.”* Our district will be focusing on the Rotary Citation when we meet with the presidents at our mid-year meetings coming up, and as of late January, the Tahoe-Douglas Club is our first club to qualify for this prestigious award!

*“As you already know, this year we are asking all Rotary clubs to submit two numbers to Rotary: the number of volunteer hours worked and the money invested in service. The fastest and easiest way to submit these numbers is through Rotary Club Central. Remember to enter those two key numbers in the Goal Center, under the Rotary Citation tab.”* This will allow Rotary to report our impact in service around the world with the best data available.

*“One of the new initiatives I’m most excited about in this Rotary year is the Group Cultural Exchange program, a type of Rotary Friendship Exchange that brings together international teams of Rotarians, non-Rotarians, and young professionals.”* Interested D5190 Rotarians are encouraged to contact our Rotary Friendship Exchange Committee Chair Irene Perbal for more information about exchange opportunities through your district. If you have questions, or an experience you’d like to share, contact [rotary.service@rotary.org](mailto:rotary.service@rotary.org).

*“It may be the right time to plant your club’s trees. Not only is planting trees one of the best things you can do for the environment, it also brings you one step closer to your Rotary Citation.”* Many of our clubs across the district are involved in a tree-planting project! Thanks for taking President Ian’s goal to heart!

*“There’s still time to register for one of six Presidential Peacebuilding Conferences designed to help us better understand the connections between Rotary’s six areas of focus and our commitment to building peace. The conferences will be hosted between February and June in different cities across North America, Europe, Australia, and the Middle East.”* Early February will see the first of these conferences in Vancouver, B.C. We will have several local Rotarians attending, and I’m looking forward to their report.

*“Looking ahead, it’s not too early to start planning your trip to the Rotary International Convention in Toronto, Canada on 23-27 June 2017. Register online by 31 March to receive the discounted preregistration rate, and find Inspiration Around Every Corner in Toronto!”* We have close to 50 Rotarians from D5190 who have registered. It’s not too late to join us in Toronto – you will be inspired!

*“Because of your hard work, Rotary is truly “Making a Difference” in the world, so thank you.”* I echo President Ian’s thanks to Rotarians throughout our great district!

Doug McDonald  
District Governor 2017-18  
Rotary International District 5190

## Meeting President Ian H.S. Riseley Tree Challenge

Five Rotary clubs joined forces to not only meet, but exceed President Riseley's challenge of planting one tree for each Rotarian. The clubs (Grass Valley [529], Grass Valley South [58704], Penn Valley [29308], Nevada City [536] and 49er of Nevada City [27616]); who's total Rotarians is approximately 260+ members were successful in distributing 400 Ponderosa Pine Saplings to our community.

On Saturday January 13th, 2018 District Rotary Clubs of the greater Grass Valley/Nevada City joined forces and held a tree giveaway event, where the public was encouraged to stop by for their tree(s) and receive expert tree planting and care instructions by a licensed landscaping professional (Adam Weiss, Grass Valley South).

Along with the expert advice, each car/family was given a Tree Planting Instructional pamphlet created especially for this event. In the handout, guidelines for site selection, cautions, planting and care instructions were outlined. We asked the recipients of the trees to take a picture of the planting of the trees and email it to a special email address we created to keep track of where the trees are located throughout Nevada County. (Our hope is that the local newspaper will print the pictures when we get them all gathered.)

The event was supported by many local businesses, KNCO radio, The UNION Newspaper, Safeway, Raley's, SPD super markets, Nevada Irrigation District, to name a few.

Over 76 cars showed up to collect their trees. The reasons for attending the giveaway ranged from re-planting due to bark beetle to "my children 'made me' come here so they can plant a tree."

The event even raised a small amount for Polio Plus through public donations.

Many members now are considering making this a yearly event.

Trees were purchased at \$1 each from CalForest Nurseries.

Submitted by:

Larry Davis, Chair  
Public Image Committee  
Rotary Club of Grass Valley South

## AREA 3 HAPPENINGS

*By AG Sherilyn M. Laughlin*

**Rotary Club of Truckee Highlights** - Our year kicked off with the July 4<sup>th</sup> BBQ, the club netted \$2,000 and provided food for the community celebration of approximately 4,000 people. Late September is our annual Senior Woodcutting service project with cuts, splits and delivers 18 cords of wood to Senior Citizens in the Truckee area. We had a fellowship softball game and bocce ball tournament against the Truckee Optimist Club and a family campout at Prosser Lake in September. Our Rotary volunteers handed out candy to 750 kids at Truckee Halloween Parade and our major fundraiser, the Cadillac Voodoo Ball dinner, dance, auction & raffle brought in \$45,000. In November, we had our annual Senior Thanksgiving Dinner serving a wonderful meal and providing entertainment to 50 local seniors. Our joint Foundation Dinner with the Truckee Sunrise Rotary was a great success and the year ended with our annual Bud Fish Tree Lighting ceremony in downtown Truckee with Santa hearing local children's Christmas wishes and handing out candy canes. The Rotary Club of Truckee has also coordinated with Tahoe Truckee Unified School District to put on a High School Career Day and we have been holding monthly mixers at club member's homes. Once a month we invite high school and middle school leader group representatives to make a 10-minute presentation at our regular lunch meeting. On the International front, we have finalized a \$99,000 Rotary International grant to provide water filters in Baja Mexico and distribution is now taking place. Upcoming in February the Club is working with the school district to put on STEAM fair for over 1,000 students and in March we will hold our second largest fundraiser, Chris Matthew Annual Crab Feed which nets around \$40k. Along with a Rotarian at Workday, Speech & Music Contest and other fellowship activities, we will top the year off with our annual Kids Fishing Derby in June.

**Tahoe City Rotary Highlights** - The Tahoe City club has been very busy in the first 6 months of the year with their biggest fundraiser The Lobster Dinner on AUG. 4 and was extremely successful, with over 300 people attending. Community Service Projects have included mentoring Rotary Eighth Grade Leadership (REGL) students at a weekend camp SEPT. 15-17, Club President Karen Rasmussen volunteered for this Program and it was a most rewarding. Rotarians handed out a new dictionary to every third grader at their local elementary school and spent time talking to the children about Rotary and how to use their new books in October. Next was the Sugar Pine Seedling Planting with Tahoe City Rotarians, spouses and Interact Students participating. Santa's Sledding Party in December was a great success as well. Rotarians served a free breakfast of pancakes and sausage, plus coffee and hot chocolate to about 400 people, provided free sledding for children, free ice skating and free gifts for over 300 children. Almost every member of the Tahoe City Club participated in this event. The local Fire Department, Sheriff's Department and the Highway Patrol also attended because it offers the perfect opportunity to help the children understand their role in the community and to begin to build relationships with them.

**Area 3 Happenings cont.)** Up-coming is The Ski Challenge, which takes place on March 2, 2018. We are finally getting the re-

quired snow to be able to put on this Event. This Event attracts Rotarians from many Districts in Northern CA. It is not only a successful fundraiser but provides a fun filled day for all participants. Blood Drives, Paper Shredding and SnowFest in Tahoe City / Kings Beach - The TC Rotary not only provides financial support for the organizations who put on these Events, they march in the Parades and member, Jim Fleming dresses up as Old Man Winter. The Parades this year are March 3 & March 10.

**WHEN:** March 2, 2018

**WHERE:** Northstar at California

The day includes a continental breakfast during registration, dual giant slalom tandem courses with individual and team awards. It is a fun day of skiing with fellow Rotarians, après ski food (chili, salad & sandwiches), 2 drink tickets and awards.

We have had some difficulty contacting districts other than our own, so please pass this information on to any Rotarian you know who might like to attend our event. It is a great day for all involved.

We will have all of the necessary information on our website by December 1, 2017.

[www.tahoe-city-rotary.org](http://www.tahoe-city-rotary.org)

**For more information email: [mdc.gary@gmail.com](mailto:mdc.gary@gmail.com)**

Please pass this information on to your Bulletin Editor to insert in your newsletter. Editor: reference our Web site (<http://www.tahoe-city-rotary.org>) for members to look up information under "Annual Dick Linkey Rotary Ski Challenge".

## Area 3 Happenings from AG Sherilyn Laughlin (cont.)

**Truckee Sunrise Rotary** – The Sunrise club held its first Bingo Fundraiser in July and began planning a Giving Trail Project for a Donner Summit Graffiti Removal Project that will collaborate with local interests and the Washoe Indian Tribe. November was our Foundation Dinner shared with the Rotary Club of Truckee in which Wynn Spiller was our wonderful guest speaker. December 2017 we provided dinner at Truckee Senior Center for 50 seniors and 15 shut-ins, 15 Truckee High School Band Members provided music for the event.

**Rotary Club of Tahoe-Incline** – The inaugural Chili Cook off netted almost 18K (not bad for first time event)! Our club was awarded two grants for the local schools, the first was for science kits for the middle school and the second was for Chrome books for the elementary school. We gave up our longtime fundraiser, the Christmas tree lot, but assisted our local Boy Scout Troup on their and they raised over 11K in profits, next week they will stop by and present a check to our club. Our board approved a monthly teacher appreciation event - Leslie Hermann, recently retired principle from Incline High will spearhead the project, which will award teachers with both monetary and public recognition. Upcoming are our two BBQs on the Burnt Cedar Beach for fun!

Rotary Precision Ski Drill Team – July 4th Parade

**Incline Village Rotary** – Our year started with a very successful Rotary Duck Race on the 4th of July. We collaborated with the Rotary Club of Tahoe-Incline and District 5190 to fund approximately \$10k to purchase STEM educational FOSS kits for the Incline Village Middle School science department and distributed hard bound dictionaries to each 3rd grader at the Kings Beach Elementary School. We provided many turkeys for families in need of a great Thanksgiving Dinner and many volunteer hours collecting and distributing Toys for Tots in North Tahoe communities. The IV club had a Rotary night at the theater during the 3rd annual Tahoe Film Fest to raise money for the north Tahoe schools and will be donating funds to the Boy Scouts of America and at Incline High School; we support Highlander Pride, We the People and many higher education scholarships.

ROTARY:  
MAKING A  
DIFFERENCE

## Area 2 News, by Peter and Julie Hochrein

Loyalton Rotary President Stan changed their meetings to the first and third Wednesday of the month at the Golden West Restaurant. The club was awarded a District Grant for \$2000 for a softball scoreboard project. The date for the next fundraiser dinner is March 15 with a St. Patrick's Day theme. They are preparing to host the District 2 speech and music contest which will be held at the Catholic Church in Loyalton.

Quincy Rotary President Richard is the first to use PowerPoint Presentations at every meeting. It has helped him provide entertaining photos, collect fines and keep members updated on activities and projects. The club was awarded a District Grant for \$2000 for the Quincy High School Greenhouse Garden Project. They have had several dinner social meetings and several business/social mixers at local businesses in town. Quincy Rotary partnered with Soroptimist International to clean up the Garden Triangle on Main St. The club cleans two segments along Highway 70 several times a year and provides meals to shut-ins during the holidays. A successful Area 2 Foundation Dinner in Quincy raised funds for The Rotary Foundation.

Greenville Rotary President Michelle has helped increase club membership by 71% from 7 to 12 members. The club had the highest per capita giving to The Rotary Foundation last year. They are a small club but so important to their town. The annual Family Fun Bike Ride is always a great community event.

## Area 2 News, cont.

Portola Rotary President Kristen and the membership committee decided to shift their meetings to one breakfast and one lunch meeting a month. The first meeting of each month is "inward looking" so it was decided to take this opportunity to discuss the kinds of programs and activities the club would like to see at these meetings in the future. In the new format, it was decided that the lunch meetings are intended for external program speakers. These exciting meetings aim to be informative and pertinent. On January 23<sup>rd</sup>, Dr Paul Swanson, the ER director at Eastern Plumas Health Care, spoke about the Opioid crisis and how it is impacting our healthcare system. The first monthly club social was held at the Eureka Peak Taproom. About 30 people showed up to visit, have a glass of wine or beer, and sample the Taproom's excellent Tapas.

## Call for **SERGEANT AT ARMS VOLUNTEERS** 2018

Rotary is in need of good volunteers to aid the great Rotarians of District 5190---

Please volunteer to be a Sergeant-at-Arms for the District Club Leadership Assembly and District Conference. We'll work around anyone's schedule! The assigned duty could be as short as 2 hours or just one day, or all weekend long. We like to say, "Try it, you'll like it!"

District Club Leadership Assembly is Saturday, April 7<sup>th</sup>

District Conference is May 18-20<sup>th</sup>

Please contact Don or Anita Daniels, and we can provide all the information a Rotarian would need.

THE EVENT WHILE  
YOU SERVE!***

## **Ecuador Rotary Project Fair by Karen Grosz**

Karen Grosz, Chair of the RC Reno International Committee, attended the Ecuador Rotary Project Fair in Guayaquil, Ecuador in late November.

When participants began to arrive, word spread that a simulated earthquake was scheduled that morning, with offices located in the basement of the hotel. Almost right on schedule for the start of the meeting, everyone experienced a 6.2 earthquake . . . but it was not a simulation. It was the real thing!

Looking for projects that the club might want to support, Karen was impressed with the following projects:

Community Potable Water Systems for Santa Teresa (\$32,182) and Las Mercedes, Manabi Province (39,740) RC Bahia de Caraquez

CONTACT [stumbaughw@gmail.com](mailto:stumbaughw@gmail.com)

Congenital Deafness in the Maternity Hospital Enrique C. Sotomayor, Guayaquil, Guayas Province – for treatment of newborns

CONTACT [jcallejas@prometin.com](mailto:jcallejas@prometin.com) RC Guayaquil

Fish Market and Food Service for Tourists for San Vicente in Manabi Province (\$126,000)

CONTACT [manuelnietoj@hotmail.com](mailto:manuelnietoj@hotmail.com) RC Quito

Adopt A Village, Jubal Community, Chimborazo Province (\$117,000)

CONTACT [javier\\_reyes\\_sosa@hotmail.com](mailto:javier_reyes_sosa@hotmail.com) RC Guayaquil Norte

Amphibian Chairs for People with Special Capacities at El Murcielago Beach in Manata, Manabi Province (\$5,600) RC Manta

CONTACT [jose.changkuon@hotmail.com](mailto:jose.changkuon@hotmail.com)

Anyone interested in hearing more about the projects can contact the Rotary Club contact as listed with e-mail
