## CONDUCTOR'S CORNER

### March is Literacy Month throughout our Rotary World

Rotarians in District 5190 acknowledge the importance of literacy by performing a myriad of service activities.

March 2<sup>nd</sup> is Dr. Seuss's birthday and several clubs will use the occasion to read to kids in school, with some cooking Green Eggs and Ham for the youngsters in honor of one of the Good Doctor's famous books. Numerous clubs in our District distribute dictionaries or thesauruses to elementary school kids, for many the first book of their own.

Several District 5190 Rotary Clubs have substantial reading efforts in place. Auburn Gold Country reads weekly to kindergarten classes, Portola's "Pay it Forward" program is centered on inspirational reading, and the Reno Rotary Club and Plymouth-Foothills also have weekly reading efforts.

The Rotary Club of Bishop has a unique financial literacy project which this year

expanded to include multiple grades, teaching our youth some basic yet important lessons about handling money.

Our District Literacy chair Lindy Beatie (Nevada City 49er Breakfast) is a powerful advocate of literacy as she advances reading skills in her professional life as Executive Director of Big Brothers Big Sisters of Nevada County and North Lake Tahoe. Lindy has brought forth several good ideas for literacy projects including the "Little Free Library", an idea being implemented by the Cameron Park Rotary Club and others. Please visit the literacy resources Lindy has placed on our District Website under Service. She can be reached at [lindybeatie@gmail.com](mailto:lindybeatie@gmail.com). There are also archived webinars at our District 5190 website on Literacy and Financial Literacy.

Recently Cheryl and I attended the Area 7 Foundation Dinner where the keynote speaker was Jean Irwin Hatfield. This was the 5<sup>th</sup> Foundation Dinner just this Rotary year where we were together! For those who do not know Jean, she is a past District 5190 Ambassadorial Scholar. Jean is a retired teacher of the deaf and was a major force behind Nevada's adoption of mandatory hearing testing for newborns. She has received Rotary's Service Above Self award, the highest recognition awarded a Rotarian.

Personally I do not know of a greater literacy advocate than Jean. She has taught us there should be a literacy component in every project we do and is fond of saying "If you're going to give someone a Thanksgiving basket, put a book in it". Her presentation includes an example of combining football coaching with reading! Jean also says "Don't just give a book – read it to the kids!"

The Tahoe-Douglas Rotary Club sponsored a program "Page and Sage" (an idea of Rotarian Paula Peterson) where a book was included in the weekly weekend backpack of food and healthy snacks given to underprivileged kids.

You all know the saying about "giving a man a fish... (as opposed) to teaching him how to fish." It is hard to get by, and nearly impossible to get ahead, without solid literacy skills.

Thank you to all of our District 5190 Rotarians who work hard in furtherance of literacy.

*Joe Z*

## FROM THE PRESIDENT'S CLUB CAR

### Happy Birthday, Rotary!

Penn Valley Rotary celebrated Rotary's birthday with games, prizes, and CUPCAKES, of course! Yes, we tried to interject a bit of Rotary history and challenge our members in the process. We had a word game at each person's place setting for them to work on throughout the meeting, trying to find as many words related to Rotary from "Penn Valley's Rotary Club."

Mark Fleming (President-elect), Luis Vazquez (President-Nominee), Pat Swope, Michelle Ferraro, Gene Vander Plaats

Our winner, Michelle Ferraro, came up with 20 words including "scout" for Boy Scouts - one of the groups we sponsor annually. Pat Swope came in 2<sup>nd</sup> with 18 words, which included "love" (as we all LOVE Rotary). Gene Vander Plaats was third with 14 words (which he was reluctant to share). Great job to all! Michelle selected a prize donated by Patience Awazi from Dolce & Gabbana, Pat chose an electric coffee mug, and Gene received a pocket multi-tool kit (the last two gifts donated by the president and reflecting this year's theme as they were partially red).

Rick Nolle, Luis Vasquez, Mark Fleming, Jeanne Puleo, and Greg Marshall all answered questions correctly about a variety of Rotary history, although sometimes with a little prompting. They won certificates worth 100 points towards a Paul Harris if they donate \$100 to the Rotary Foundation by March 31. Rick immediately jumped on the offer. Way to go, Rick! What was most impressive was the knowledge displayed by recent Rotary Leadership Institute graduates, Mark and Luis. We are fortunate they are our next club president and president-elect (respectively).

After drawing the lucky "Ace," Mike Dobbins, along with Doug McDonald and Bob Kline (for each drawing a joker) all received a ticket for the 50/50 Opportunity Draw. But alas, their luck did not prevail and their number was not drawn. Maybe next time?

Darleen Won Golder allowed us a view into her life as she shared a craft talk. She has been quite the adventurer with a black belt in Karate and white water rafting in Idaho on the Snake River. While she probably could persuade someone to do anything she wanted, her stature definitely doesn't limit her ability to defend herself, if need be. Of the many occupations she has held, one was working for Dick Landis and his vice-president at Del Monte in San Francisco. Can't you just see the fireball of energy and creative ideas at work there on the 13<sup>th</sup> floor under her tenure? We are fortunate to have her as a member and look forward to her sharing her many talents.

We will enjoy another special treat next week as Pat Swope's daughter, Tracy, will give us an update on Mercy Ships.

**PREPARING FOR THE NEW ROTARY YEAR**

**Club Leadership Assembly**

Here we are in March and we are already preparing for the upcoming Rotary year which begins July 1, 2015. Such is the Rotary cycle, which gives each club, and our organization as a whole, the opportunity for new leadership each year.

What is known as District Training Assembly, is undergoing some changes:

First, the name will be changed to **CLUB LEADERSHIP ASSEMBLY** to better reflect that it is all about the **CLUBS!** This is the chance for the Club Leadership Team for the year beginning July 1, 2015, future leaders, and other interested Rotarians to attend, along with their President Elect, to gain information, share ideas and to start the process of planning and goal setting.

Secondly, we are revamping the session offerings to capture what your Club Leadership Team would like to know. Over 30 sessions will be offered with

topics ranging from *Attracting Members to Your Media Interview*, from *Rotary Foundation 101* to *Focus on the 20's and 30's*, and from *Global Grants* to *Conflict Resolution Techniques*.

Each 50 minute session will be independent so that you can pick and choose the topics that are most meaningful to you. And now is your chance to voice your opinion on what you would like to see included! Send your comments to District Learning Chair, Vicki Puliz, at [vickipuliz@puliz.com](mailto:vickipuliz@puliz.com) with your ideas and suggestions.

Club roundtables at the end of the day are a “keeper” to give your Club Leadership Team the chance to debrief the great ideas of the day, and to share input on where the President Elect and Team see the Club going in the next year.

Plan now to attend the Club Leadership Assembly on Saturday, April 11, 2015 at the Atlantis Resort in Reno. Registration is open at the Rotary District 5190 website.

KEEP CALM AND VOLUNTEER

Call for Sergeant of Arms

Champions, most of you have been to a District Conference, or District Training Assembly, and you have seen first-hand how valuable the Sergeant of Arms are to the executions of the entire event. Please find one or two Rotarians in your club interested in volunteering.

The District Conference is two and a half days with many events and meals and many Rotarians looking for assistance. The Sergeant of Arms provide that assistance, and make the Conference experience seamless and enjoyable.

Please mention this in your meetings and ask if anyone would like to volunteer as a Sergeant of Arms. We'll work around anyone's schedule! The assigned duty could be as short as 2 hours or just one day or all weekend long.

WE LIKE TO SAY, "TRY IT, YOU'LL LIKE IT!"

Please contact me at [larie@trippet2.com](mailto:larie@trippet2.com) and I can provide all the information a Rotarian would need.

Thank you!

Larie Trippet

**IN THE NEXT MOMENT, ANYTHING CAN HAPPEN**

There's no better way for your club to show support for District 5190 than reserving a display table at the House of Friendship, and submitting a display in the Hall of Fame, at this year's District Conference (May 15-17).

The House of Friendship and the Hall of Fame will be gathering places for Rotarians to interact, and share success stories and information.

Prizes will be awarded for the best displays in 1st, 2nd and 3rd in the House of Friendship. There are no fees for clubs to have displays in the House of Friendship or Hall of Fame.

Please fill out the form below and email or fax to: Don Daniels (Rotary Club of Grass Valley)

## MIDNIGHT STRIKES OVER THE ATLANTIC

Have you ever fantasized about an experience, a single moment in time that could change the direction of your life forever? An event most people dream about after watching their favorite Hollywood film, or TV show. That delusion where you are taken around the world and back, to destinations of exquisite culture and breathtaking landscapes you only see on paintings at the Art Gallery. You know, that movie about a journey so powerful, that the very moral fiber of your being is shifted forever.

I was 24 years old, a young man full of ambition with no clear direction on where to put it. At the time I was a new member in the Danville/Sycamore Rotary Club and still trying to find my niche'. One day, Ted Mendelson (The Club's International Services Chair) approaches me and says, "Nick I have an opportunity." He tells me about a local Rotarian who had extended an open invitation to go to the International District Conference in India's Rotary District 2980. He goes on to say that there were only 10 spots available, for this "once in a lifetime experience," and if I wanted in, I had to act quickly. Without any hesitation I jumped on the opportunity immediately, and before I knew it I was on a flight to Coimbatore.

Midnight strikes somewhere over the Atlantic and my head's spinning. Questions are racing through my mind as I try to fall asleep, but I can't... What did I get myself into? Would I be the same at the end of this? And what will I think of Rotary after the trip is over?

40 hours later, exhausted, nervous, and so hungry I could eat a horse; we arrive at a sacred Yoga Retreat in Southwest India where I passed-out. When I awoke to a new day, a new year, a new me, I was smiling from ear-to-ear. Peaceful, that's the only way I can describe the atmosphere at this sacred place. It was the kind of place where you walk around and feel all your worries melt away as you breath in the salty, humid air.

That day we arrived at the conference. At the entrance to the great room was an 8x12 foot banner with our names on it, and there was mine, on display for thousands of local Rotarians to see. I stood out like a sore-thumb, everyone walked up to me and wanted to shake my hand, take a picture with me, hell... I even had a few people ask for my autograph! I was blown away; never in my wildest dreams did I think I'd be living the scene from my favorite movie, or EVER be the actor at the same time! We were catered to constantly, escorted everywhere, and the pictures... thousands of pictures! We were bonafide celebrities!

After the conference, the local Rotarians took us on 6-day tour with a Mr. Vishwas More. A man whose arranged grants allowed for region schools to have roofs, school busses, and even modern-day bathrooms instead of holes in the ground. I stood there speechless; it literally blew my mind seeing how things we all took as "ordinary" were revered as major luxuries there.

A day or two went by, and as the journey continued we stopped at various Polio Drop Points where I was allowed to administer the Polio Vaccine to the local children. Again, my heart sunk into my soul as I interacted with hundreds of kids who were so thankful to receive the vaccine. It was amazing, standing there in-person seeing how the vision of a few Rotarians was able to build the foundation for children on the other side of the world to have better lives.

To this day, my journey around the world and back remains the most humbling experience I have ever had. The trip taught me the TRUE POWER of Rotary International. It opened my eyes and allowed me to see that if anyone from anywhere has a vision for a better world, they can make it happen. With persistence, dedication, and the heart-felt efforts of like-minded individuals working to make the world a better place, ANYTHING'S POSSIBLE!

### Polio This Week

**As of 25 February 2015**

	WPV	cVDPV
Year-to-date 2105:	10	0
Year-to-date 2014:	24	4
Total in 2014:	359	54

WPV = Wild poliovirus

cVDPV = Circulating vaccine-derived poliovirus

[Read about](#) how it has been six months since the most recent case of polio was reported in the Horn of Africa.

### Membership Tip

**The best way to find yourself is to loose yourself in the service of others**

One of the most successful tactics a charitable organization can take on to increase volunteer retention is matching volunteers to tasks by their passions, interests, and abilities. When volunteers are matched to tasks they are genuinely passionate about, interested in and able to do successfully, they are more likely to feel satisfied by the work they are doing for your organization and continue to contribute towards the mission.

How can you begin doing this? Your website is one of the most powerful tools you can use. Potential volunteers will come to your website looking for opportunities they are already passionate about. Make it easy for site users to filter through the list of volunteer opportunities to find a need that matches their interests and skill sets.

### Foundation Tip

**Will your club be recognized this year?**

**100% Paul Harris Fellow Club:**

Rotary Clubs in which 100 percent of all dues paying members are Paul Harris Fellows receive special recognition from the Rotary Foundation. Qualifying Rotary Clubs receive a special club recognition banner and join an elite group of clubs.

**100% Rotary Foundation Sustaining Member Club Banner:**

Rotary Clubs in which 100 percent of all dues paying members as of June 30th have donated at least \$100 to The Rotary Foundation's Annual Fund.

**100% Every Rotarian Every Year Club Banner:**

Rotary Clubs in which 100 percent of all dues paying members as of June 30th have donated some amount to The Rotary Foundation's Annual Fund and the average per capita club giving is at least \$100.

### CHIAPAS CONNECTIONS

Significantly enhancing the scope and efficiency of care providers in the use of austere medicine in the remote highlands of Chiapas Mexico is the goal of the Bishop Sunrise Rotary Club, Mammoth Medical Missions (MMM), and their partners in from the Rotary Club of Oriente de Tuxtal Gutierrez, Mexico.

Taking advantage of relationships developed over time by MMM, contacts gained through the Rotary host club in Mexico, and regional health care providers in Chiapas, Bishop Rotarians have put together an exciting grant proposal to field a vocational technical team.

December 2014, meeting in Mexico of the members of the Rotary Club of Bishop Sunrise, Mammoth Medical Missions and the Rotary Club of Oriente de Tuxtal Gutierrez, Mexico

The team, with personnel from the MMM, will provide several days of hands on training. Training will take place in two locations; the State School of Civil Protection in Tuxtla and in the hospital located in the of San Andreas Larrainzar in the Chiapas highlands. The train-the-trainer training will cover rural emergency room skills, austere medicine, physical therapy, mass casualty, disaster medicine and rural obstetrics to reduce maternal and newborn mortality and morbidity.

At the end of the training in Chiapas, five candidates will be chosen from the participants to travel to the U.S. for five days of observation and learning with California Board certified medical health care providers.
