

GOVERNOR'S MESSAGE

From the Back of the Bike. . .

March is "Water and Sanitation" month on the Rotary calendar. Consider programs this month that focus on water and sanitation projects in your community and engage other organizations dealing with those issues to partner on a project. Our District Community, International, and Foundation committees are on the back of your bike ready to assist you with ideas and implementation.

As we continue our Mid-Year visits, Chris and I are thoroughly enjoying interacting with all the great Rotarians in 5190!

The first weekend of March and District Governor-Elect Roberta Pickett and the President-Elects from across 5190 are off to San Jose and PETS. We wish them safe travels and powerful experiences. Be ready for your PE to return fired up and ready to get going with Rotary year 2020-2021.

Elsewhere in this newsletter is more information about the Rotary Awards, Learning, and Leadership Yearly Event (RALLYE). We look forward to seeing you at the Nugget! Our efforts have been focused on reducing travel and the number of Rotary weekends without reducing the quality or impact. The learning sessions are filled with information and the events are packed with fun. Register on our District website at www.district5190.org

Randy Van Tassell
District Governor 2019-2020
Rotary International District 5190

UPCOMING ACTIVITIES

Mar 6-7: Far West PETS

Mar 14: Area 10 Mid-Year visit, Fernley

Mar 16: Area 3 Mid-Year visit & Foundation Dinner, Incline Village

Mar 19: Area 5 Mid-Year visit & Foundation Dinner, Auburn

Mar 20: Sierra Passport Club Breakfast Club visit, Auburn

Mar 21: Area 12 Mid-Year visit & Foundation Dinner, Alturas

Mar 26: Area 13 Mid-Year visit & Foundation Dinner, Bishop

Mar 27: Area 9 Mid-Year visit via Go-To-Meeting

AREA UPDATES

Area 1

With winter fading in the rear view mirror and spring quickly approaching, the three clubs in Area 1 are gearing up for an exciting spring. The clubs will be taking part in the Rotary Speech and Music contests and will be sending a representative from each contest from Area 1 to the RALLYE in April.

All three clubs will have had Foundation Dinners celebrating what the Foundation means to Rotary. As I write this, I hope and pray that maybe our clubs can have a huge dinner uniting all of us that live up here in the mountains to one celebratory dinner.

The Susanville Sunrise Club under the leadership of Scott Purdy is looking to turn over the Presidency to Zeane Barber who is the President Elect for the coming year. The Susanville Club under Sam Glass's leadership will be welcoming David Teeter to the Presidency. The Chester club under the leadership of John De Jong will be giving the Presidency to Terry Johnson. All the President Elects will attend PETS in early March.

With spring on the horizon the three Clubs are working on projects that will benefit their communities. Susanville Sunrise club will be working on their Community Garden as well as working with the city to begin work on a Dog Park where people will be able to walk their dogs and enjoy the scenery. And the Chester Club will be working on the Community Playground and getting it ready for the children.

All in all, the Clubs in Area 1 are getting ready for a busy year ahead.

Terry Johnson, Assistant Governor

Area 11

Give Me a "C" – Give me a "W"

The Rotary Club of Winnemucca is all about Community Service. The fact that current President Barbara Sealy wasn't planning to be club president until 2020-21 has not stopped her

or the Winnemucca Club from having a very successful year – and it isn't over.

One of the exciting literacy projects that the club is working on, using funds from a district grant, is "Bookfriends International. Working with an English teacher at the local high school, the club has acquired many used text books. These are shipped to the above organization in Illinois. From there they are packed with books from other sources into large Africa-bound shipping containers. The club also donates a book per week to the local library signed by the guest speaker each week. They also provide the hospital with books to provide a book to each new baby that is born there to encourage parents to read to their child. Last fall, the club provided each 2nd grade student in Winnemucca with a book, *Becky & Lin's Apple Orchard Park* by Andrew J. Shoup, produced by the Rotary Club of Fairborn, OH. The book teaches children about the Rotary theme Service Above Self.

The famous Winnemucca Rotary Club golf tournament is in the works – it is one of two major fundraisers for the club. Planned for May 2-3, it provides funding to send local students to REGL and RYLA. The club's youth services chair, Laurel Thomas, also supports a weekly REGL club at the local junior high. (Laurel was once a RYLA participant!) The REGL group saw a need to provide clothing and hygiene items for students from low-income families at their school and started the "Warrior Closet", named after their school mascot. Community members can stop by the school and drop items that are then given to the students anonymously by Mrs. Thomas or the school counselor.

Winnemucca Rotarians are all about directly helping folks in their community who are homeless or who are just in need of a "home-style" hot meal. Through the Soup Kitchen, the club members prepare and serve a meal for those who need the third Sunday of each month. The club continues to participate in the food sculpture event in partnership with the local Food Bank at the County Fair. Food collected at the fair is

donated to the Food Bank where it is distributed to local families.

The club plans to partner with the Red Cross in April to install smoke alarms locally. Plans are also underway for the Rotarians at Work Day. But, it isn't all work – the club has partied, too. A fall barbecue was held and a super successful Super Bowl social happened recently. Lots of people including guests of Rotarians, lots of fun, and even a football pool!

The Rotary Club of Winnemucca is clearly a club that makes a difference in their Community (with a capital "C") with all the projects they do for literacy, food donation and preparation, safety, student leadership and more. What an amazing group of Rotarians.

Helen Hankins, Assistant Governor

FEATURE STORIES

Donor Recognition Dinner Featured Speaker

The Rotary Foundation Donor Recognition Dinner will take place on 23 April, 2020, at the Nugget Resort Casino in Sparks, Nevada. The dinner and festivities, designed to appreciate and celebrate Paul Harris Society, Major Donors, Bequest Society, and Triple Crown members, will welcome as its keynote speaker, Rotarian Yvette Burks, from the Rotary Club of Belize City, Belize. As Past President of the Belize City Rotary Club, and having a passion for humanitarian efforts in Belize, Yvette will take her audience to Belize through stories and photos, revealing a country with great needs, many of which are being addressed through projects funded by The Rotary Foundation.

A Rotarian since 1998, Club President in 2010-2011, and serving as Assistant Governor, Yvette has also served as chair, and currently co-chair, of the Gift of Life Belize Program, serving hundreds of Belizean children with necessary heart surgeries. Ms. Burks is also founder and Director of the Belize Burn Victim Mercy Fund, and serves on the Board of Directors of Marla's House of Hope, a children's home in Belmopan, the country's capitol.

Yvette Burks, Rotary Club of Belize

The Donor Recognition Dinner is open to all Rotarians and their guests, and is a great way to start off this year's Rotary Awards, Learning, and Leadership Yearly Event, or "RALLYE". Registration for the dinner is done through the RALLYE registration site, and although attendees can register for the dinner only, we encourage all to register for RALLYE.

Alan Cain, Paul Harris Society

March RYE Corner

The 2020-2021 Outbound students have been selected and are mid-way through their preparation and orientations. When you talk to a potential parent of an outbound student, you can assure them that their student will be very well-prepared for their exciting journey to another country for a year. The topics we focus upon for our students and their parents include:

- Various homework assignments designed to help them prepare for their presentations in their new country to their sponsoring Rotary club, speaking in their country's language when the opportunity arises
- Education on what Rotary is and does throughout the world and how it supports them in their exchange
- Introduction to It's Your World Travel, the travel agency that handles their travel and documentation requirements getting them to their country and home
- How to handle money from the stipend they receive and getting money from home as needed using credit cards and ATMs

- Travel to and in-country while following the local Rotary club's rules and advice as well as any special trips offered during their year abroad
- Showing appreciation with gifts for host families, Rotary club counselor, president or any club member they want to acknowledge (doesn't have to cost a lot of money; could be simply cooking for the family or offering something American to the Rotary club – maybe chocolate cookies)
- How to get in touch with their country contact, the District RYE Outbound Coordinator and the use of their monthly Reflections report to let us know how things are going
- How to make friends and join activities where they will meet new friends
- Use of cell phones, computers and Internet access, and cameras
- Medical insurance requirements and costs and discussions related to different countries and issues they may face as well as vaccinations needed
- The basics of public speaking
- The need for respectful interactions with everyone and the acceptance of their role as an ambassador for the U.S and Rotary
- Understanding citizenship and our government in order to answer the many question that will arise from their host families, fellow students, Rotarians and the many people who will be curious when talking to an American
- The safe and appropriate use of social media
- Communications with family and friends back home that is balanced and healthy and doesn't interfere with immersion in their new culture – the balance of not too much and not too little
- How to pack for a one-year stay abroad – less is more
- Awareness of how peer pressure can be damaging to their exchange if they don't make well thought-out and practical decisions
- How to answer difficult questions about themselves and/or the U.S.
- How to make their life extraordinary using this exchange as a foundation for their future
- Learn the language – learn the language – learn the language using either the Pimsleur or Rosetta Stone language programs we provide (their progress will be monitored)

Our ROTEX (returned outbound exchange students) are very helpful when explaining what they might expect on exchange. For example:

- How to handle the arrival in their new country which can feel overwhelming and chaotic
- Who to turn to for help when confronted with a situation in which they feel uncertain
- What they might expect in the way of culture shock in their new country
- Sharing their good times and their difficult times and how they handled them
- What to do when you have a host family for whom you don't feel close
- Ideas on how to make friends and find acceptance in their host family
- Facing difficult decisions and remembering that there are consequences for every decision
- What they can experience in the way of reverse culture shock when they return home – they will be different and their friends will have changed very little

Many of these sessions are shared with the parents of the outbounds and some sessions are focused on parents only. The parent sessions teach them to support their child without doing the hard work the student must undertake to get ready for the exchange. Many parents will want to visit their child while they are on exchange and we share the rules and best practices regarding their visit. It isn't simply a

steam. This is an opportunity for the student to grow quickly and more broadly than if they stayed home. But it can be a difficult release for the parents. Not allowing their child to call home too frequently is a challenge. As long as the student and their parents don't interact too often, the student will feel stronger and the parent can be proud that they laid the groundwork for their child to become an adult who makes good decisions, expresses their independence in a healthy manner and returns home better for the experience.

Our goal for the student is a successful, safe exchange. The unknown can be daunting and we can't possibly prepare them for every eventuality, but the preparation we do is a good foundation for them to make the best decisions possible and yet free them to grow and advance at a healthy pace. We let them go and they return a new, more mature model of themselves.

Made Goal

We're a month into the second half of the Rotary year, and our membership is on the up-tick.

District-wide, we're up a percentage point over our July 1 totals. Several clubs have achieved their membership goals for the year, including Alturas, Bishop Sunrise, Mammoth Lakes, Placerville, Reno Central, and Tonopah. Congratulations!

A total of 26 clubs show growth, and several of those are in the double-digit realm!

Let's focus on growth this spring! Be sure your club has a welcoming environment, conduct a membership survey to be sure your members are satisfied with their Rotary experience, contact those members who are missing meetings, and let us know how we can help your club grow!
