## Striving Together Achieving Results

### **GOVERNOR'S THOUGHTS**

Club visits are continuing. By the time you read this Sandy and I will have visited 24 Clubs. Each Club has amazing stories of how they help their community and how they have fun. All of the Clubs do both.

September is Basic Education and Literacy Month. Basic education and literacy are essential for reducing poverty, improving health, and encouraging community and economic development. I reviewed a number of projects within our District on Rotary Showcase. The scope and breadth of these projects is truly amazing.

Classroom facilities and equipment including technology

Educational materials

Scope of education

ABC's

Financial Literacy

Life Skills

Educational options beyond high school

Mentoring

Improving school dropout rates

Adult literacy

Find out now what the educational needs are in your community and what your Club can and is willing to address.

### **AMAZON SMILE**

I wanted to share with everyone something I did not know. A percentage of all your Amazon purchases can be credited to the Rotary Foundation.

You can choose to have the Rotary Foundation of Rotary International benefit from your purchases by selecting them under your account profile with Amazon - it is under the Smiles program.

There are several Rotary Groups listed and I selected the Rotary Foundation in Illinois - It is 0.5 % of your purchase - that can be a great deal considering how many orders we place through Amazon!

If you have not selected a non-profit to benefit from this offer please consider Rotary.

### **DISTRICT 5190 ROTARY ACADEMY**

### Be among the first to know!

We go along attending meetings each week, many of us not realizing that Rotary is undergoing some exciting times. Were you aware that we are no longer committed to holding meetings once a week? Clubs can now change their bylaws to determine how often to meet, as long as they meet at least twice each month. Also new are kinds of membership, qualification for membership, and that the treasurer is now considered an officer and board member of a Rotary club. Other changes include dues, club board meeting minutes, admission fees, and more.

You can learn all this and more in ten easy lessons. The District 5190 Rotary Academy has been revised and updated to incorporate the changes made during the 2016 Council on Legislation meeting. Not only that, there will be even more changes

when the 2016 Manual of Procedures is published, expected in October.

The Rotary Academy is a ten easy, self-paced course, free to all Rotarians. It is not a pass/fail test but an opportunity to learn the unique and fascinating process that has brought the organization to where it is today. The course provides an outstanding opportunity to understand all the components of Rotary, making the participants informed and knowledgeable about everything Rotary.

To take advantage of this learning experience, access the District 5190 website, click on the training bar, then Rotary Academy, and follow the steps listed. Complete the registration form and forward it as stated. The Academy Chair will welcome you, explain a few details and lead you to your first lesson. You will be glad you made the decision to expand your Rotary knowledge.

For more information, contact Academy Chair Carol Sharp at <a href="mailto:sharpatemailto:sharpa

### **END POLIO NOW!**

Helen Hankins and Michael Mauser

**HELP RAISE \$15,000 TO FIGHT POLIO NOW!** — With a 2:1 match from the Bill and Melinda Gates Foundation — this translates to **\$45,000**!

Join members of the Elko Desert Sunrise Rotary Club and other community members to end polio now. Polio is present in only two countries – we are very close to ending this disease now.

Club members Michael Mauser and Helen Hankins are walking the 500-mile El Camino in Spain to heighten global awareness of the fight to end polio now. As part of this effort, Helen and Mike are contributing \$500 each to this fundraising effort. Their contributions, and yours, can be made via www.GivingTrail.org. 100% of each contribution goes to the Rotary Foundation to fight polio.

The walk honors fellow Rotarian Sarah Sweetwater (1940-2015), a polio victim who was an active campaigner against polio.

Make a difference – contribute today at <a href="www.GivingTrail.org">www.GivingTrail.org</a> under "End Polio Now" (https://givingtrail.org/campaigns/200050/end-polio-now) and help spread the news! For more information call Jean Sloan at: 775-738-7024.
