HELP UPDATE D5190 YOUTH SERVICE & LITERACY MANUAL

Dear Fellow Rotarians

World peace and understanding. A pretty lofty goal wouldn't you say? Leave it to Rotarians to believe we can change the world!

As Rotarians, we are currently changing the world with our determination to end polio, working with our partners which include the World Health Organization, Unicef, Centers for Disease Control, Governments of the World, and the Bill and Melinda Gates Foundation.

Our fight against polio has been long and hard, and this final battle is proving to be the most difficult yet. Rotarians and clubs in our District demonstrate commitment and generosity in continuing to raise money and awareness. Thank you! We need to stay strong to the end, which is predicted to be 2018, and to help build awareness and appreciation of what this monumental accomplishment means.

India was officially declared polio free on January 13, 2014 with no cases in three years. It is expected that Nigeria will be the next country to eradicate polio, followed by Afghanistan. Pakistan remains a very troubled spot in the world, where even polio workers delivering lifesaving vaccine are not safe.

How else are Rotarians changing the world?

We change the world through our very existence. Our Rotary organization has been called the intersection of commerce and cause—bringing these two opportunities together in a unique way. And, Rotary is both local and global at the same time—with our 1.2 million Rotarian “boots on the ground” all around the world.

As Rotarians, we have the chance to make a difference in our community and the world, and to build relationships that benefit our business and our lives.

My Rotary journey has given me friends that I would not have known any other way—including friends in my own town, exchange students who are now part of my family, friends on the other side of the mountain and on the other side of the world. It has also provided me with personal growth experiences such as being able to speak in public, and enhanced business connections in many areas.

How has Rotary changed your world?

Each of us knows another person who would benefit from becoming a Rotarian. Share your Rotary story with that person and invite them to join us. They will thank you.

Engage Rotary, Change Lives.

District Governor Vicki Puliz

FOCUS ON A STAR

Why am I a Rotarian?

It is August 5th 1987, a tall (6'1") skinny (120 lbs.) 18 year old kid from Hicksville, Ohio (actual name) is about to hop on a plane and leave the country for the first time in his life. He is about to spend a year in Germany as a Rotary exchange student. This is a year that would change how he sees and experiences the world forever.

When I signed up to become a Rotary exchange student, I had no idea how it was going to affect me. I actually only did it because I didn't know what I wanted to major in at college. After spending a year overseas, learning a new language and experiencing a new culture, I was a different person. I came back home and was active in my father's Rotary club like I had been before, helping with fundraisers and service projects, but this time it was different. This time though, I did this with the realization that Rotary had given me a gift that I could never fully repay.

As I went through my life, it was never a question of *IF* I was going to be a Rotarian. It was a question of when can I officially join a club! I am lucky in that I experienced, first-hand, the gift of Rotary. I wanted fervently to be able to be a small part of passing that gift on to others. Some people are in Rotary for years before they actually become Rotarians. I feel that I was lucky enough to have been given the knowledge of what a Rotarian was one before I officially became one.

Rotary changes lives. Just like this year's theme says "Engage Rotary, Change Lives". Whether it is a small town kid being sponsored to be an exchange student and changing his life path forever or a child in India that avoids getting polio through Rotary vaccines. Rotary is something that I wanted to be part of.

Plus, where else can you dye your beard green for a fundraiser and be looked up too?

YIR,
Todd Poth

Rotary launched new sites to help you strengthen Rotary's image, advocate for a polio-free world, and celebrate the successes of Rotary's 2012-13 fiscal year:

- [Brand Center](#) -- Find everything you need to create club and district communications that reflect Rotary's new look and feel at www.rotary.org/brandcenter. The site is home to Rotary logos, templates, ads, images, videos, and more. Sign in to your My Rotary account and start exploring today.
- [End Polio Now](#) -- It's easier than ever to add your name to a petition, sign up for polio eradication updates, and join the World's Biggest Commercial on the updated endpolionow.org. You can also read stories from supporters across the globe, or share your own!
- [Annual Report](#) -- See highlights of Rotary's 2012-13 fiscal year, including our progress on eradicating polio and new grant activity at www.rotary.org/annualreport. You'll also find financial reports and graphs that show how our funding is helping to create positive change around the world.

District Conference Keynote Speaker

Amanda Wirtz is a Chicago native who studied in Stockholm, Sweden for a year as a Rotary Exchange Student. After high school, she graduated from the Center for Information Dominance, earning the highest recognition as top graduate before serving for six years as a Cryptologic Analyst for Naval Intelligence. She supported military, counter-narcotics and search and rescue operations in Florida, Spain, Canada, and Washington D.C. In addition, she served twice in combat in both Iraq and Yugoslavia.

During the years that followed, she faced seemingly insurmountable health challenges. Resolved to fight for her own future, she began building hope for herself and others. The crux of her journey began by asking 'the right question'.

Amanda completed her B.S. in Community Health at the University of Illinois in Urbana-Champaign earning the highest University honors: the Bronze Tablet. She completed her Masters in Public Health in Health Promotion and Behavioral Science from San Diego State University and was recognized as 'Top Graduate

Student' within the College of Health and Human Services.

Her passion for building a hope and a future resulted in countless community outreach projects within the US and abroad. In addition, Amanda chartered and served as the first President of United Services Rotary: the first Facebook-based Rotary Club in the world to unite the world's militaries in peace through service. She also serves on the Advisory Committee for the Trauma Resource Institute.

PLAN TO ATTEND OUR DISTRICT CONFERENCE AND LISTEN TO AMANDA SPEAK ABOUT ASKING "THE RIGHT QUESTION"

Amanda has played the violin for 27 years and has worked as a studio musician and live performer in the US and Canada. She now performs predominantly to support charities and humanitarian efforts.

She continues to share her story of hope, inspiring others to ask 'the right question'; her outreach to the world continues to be her greatest passion.

Amanda has received numerous awards including: Community Health Leadership Award, Aurelio Florio Award, James Scholar, and 1st Place Epidemiology Research Award. In addition, Amanda was selected as the 2011 California State Assembly Veteran of the Year for the 76th District.

Membership Tip

Engage your new members

Engagement is the key to developing and retaining great Rotary members. Engagement shows them you care, and helps them build a habit of participation with you and your club. It really is the glue of retention!

There is a new tool that DG Vicki has put together for your use on our website. There are a total of 12 letters all written and ready for you to fill in the blanks and customize. The letters are intended to engage and help orient new members. They are designed to be mailed to a new member weekly (or whatever interval you decide) to help inform and welcome them to your Rotary club, based on the belief that new Rotarians benefit from understanding the basic tenants of Rotary, as well as specific information about your club. This is a fabulous tool! Imagine how your recently inducted member will feel about your club after receiving these letters. You can get your club secretary involved to help you, or appoint a member of your committee to accomplish this important task.

For more tips and information on membership, go to our new Membership Blog: "District 5190 Membership Tips" at:

Six Months to go. Let's get 'er done!

Consider IT Done

Hard drives are mechanical devices that eventually fail

To prevent the loss of your files, including photographs, back your files up daily to an external drive or to the Cloud. While hard drives typically make soft clicking noises, if you hear loud clicking turn your computer off immediately and get it serviced. Your hard drive is dead or dying and continued use makes it worst.

OFFERING HOPE

District 5190 Rotarians surpass \$10,000,000 in all time giving to Our Rotary Foundation!

Rotarians and Rotary Clubs within District 5190 are some of the most generous and caring people on the face of the planet!. It's amazing to think that since 1957, (when the Paul Harris Fellow program began), a total of 5,164 Rotarians, family members, friends and fellow business associates within District 5190 have since been recognized as a Paul Harris Fellow as of February 1, 2014. At \$1,000 per PHF, these generous contributions to our Foundation represents \$5,164,000 in the form of funding life changing programs for countless thousands of people for whom I'm sure you may never meet. I believe this is truly a selfless act of compassion on the part of all D-5190 Rotarians.

What's even more staggering is that Rotarians in our District continue to support the various programs of The Rotary Foundation by contributing what they can each and every Rotary year to our Annual Programs Fund (APF), Polio Plus, Rotary Foundation funded projects or to our Foundation's Endowment Fund which is quickly approaching \$1 Billion in total value. These additional contributions total \$5,492,708.74! As of February 1, 2014, D-5190 Rotarians all time cash contributions comes to \$10,656,708.74. Now that's something to be proud of!

On behalf of the countless individual lives you have personally touched over the years because of your continued support of our Rotary Foundation, I simply say *thank you* for all your past, current and future support of your Foundation, my Foundation, OUR Foundation, **our legacy of hope!**

District Conference Needs You CALL FOR SERGEANT-AT-ARMS VOLUNTEERS

Rotarians, you may know how valuable and helpful our Sergeant-at-Arms (SAA) can be at the District Conference and Training Assembly.

When you are wondering around an unfamiliar hotel, looking for a specific training room, or reception, who do you ask for directions?

When you need help with a presentation, who do you ask?

A Rotary Sergeant-at-Arms, that's who!

Please consider volunteering to work an hour or 2 (or more) as a SAA at the District Training Assembly or Conference.

Contact me at larie@trippet2.com to get added to my SAA database and I will keep you informed of the details.

Thank you!

Larie Trippet

Leaders Learning to Know, Go and Show the Way

Have you ever sat in a meeting and wondered how you might get more involved in a committee or how you might be chosen to participate in the leadership of your club? But then you think, I really don't know enough about Rotary yet, and besides, I don't know if I can actually lead.

L to R: Oliver Grosz, Bill Tiffany, Dianne Bass, Elizabeth Cavasso

Well, District 5190 and your club has just the opportunity for you. Your District Governor, Vicki Puliz, adopted a great program that was developed by other districts, formed a committee and started offering the Rotary Leadership Institute. The district now has several trained faculty that have been traveling throughout the district and offering this training to members selected by their clubs to participate in a one day workshop on leadership and how the many programs of Rotary can be strengthened and enhanced by your involvement.

The Rotary Leadership Institute (RLI) is a multi layered training and curriculum. We are currently offering Part I this Rotary year and will expand to Parts II & III next year. The response has been overwhelmingly positive from both the participants and the clubs that have participated. So far we have had 21 clubs sponsor 81 future leaders. We have another one scheduled in Carson City on February 15th.

The curriculum provides:

- An exposure to the characteristics of leadership, motivational techniques and leadership styles
- An understanding of the purpose and structure of Rotary
- How we do good in our communities and the world through our Foundation
- How Vocational Service and ethics give us an opportunity to serve on the highest levels
- How to encourage members to have fun, make friends and effectively serve
- How by utilizing this information we meet the needs of our community and world through well thought out projects

One of the Assistant Governors close to you will set up a venue and date and work with the club presidents to find folks who show potential and have a strong interest in Rotary. Registration is then done through the District 5190 web site. The district chair for this program is PDG Dave Bianchi and he can be reached at david.bianchi@nm.com

UNDERSTANDING OUR WORLD

The Rotary Theme for the Month of February is "World Understanding." The following is an excerpt from The ABC's of Rotary. This booklet originated as articles written by RI President Cliff Dochterman (1992-1993) for the weekly bulletin of his Rotary Club.

"The month of February is very special in the Rotary calendar since it is designated World Understanding Month. The month also includes the anniversary of the first meeting of Rotary held on February 23, 1905, now designated World Understanding and Peace Day... World Understanding Month is a chance for every club to pause, plan and promote the Fourth Avenue of Service-Rotary's continued quest for goodwill, peace and understanding among people of the world."

Changing Lives Through Giving

During the week of 23 February, Rotarians world wide will be raising money for polio eradication by taking part in **The World's Greatest Meal to Help End Polio**.

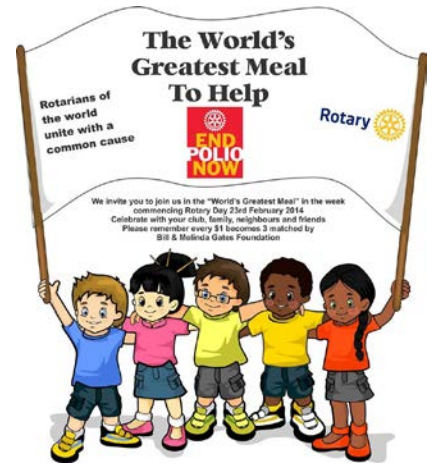

The idea is to hold a meal and at the same time raise funds for the **End Polio Now** campaign. It may be a frugal meal in place of a full meal with the difference in cost being donated. It could be a Club meal where donations collected or a meal where people meet and raise money for End Polio Now.

You can sign up and share your event on Facebook by going to [Rotary The World's Greatest Meal to Help End Polio](#).

Remember that every US\$1 raised will be matched with US\$2 by the Bill and Melinda Gates Foundation.

The World's Greatest Meal was the brainchild of two Rotarians from either side of the globe - Mukesh Malhotra of the Rotary club of Hounslow and Susanne Rea of the Rotary Club of Cairns Sunrise in Australia. The idea was launched on Facebook just before Christmas and has already attracted almost three thousand members from Rotary clubs spanning five continents.

Rotarians from 5190 who are registered for the dinner with RI President Ron D. Burton can contact Gail "Virus" Ellingwood gale5190@gmail.com and she will coordinate getting 5190 Rotarians seated together. It is a great, and infrequent, opportunity to meet the RI President and support our RI Director Steve Snyder.

The District Nominating Committee met on Saturday, November 23, and made their selection for the District Governor for 2016-2017. The committee unanimously selected John Sullivan of the Rotary Club of Jackson, as the District Governor Nominate Designate (DGND). John has served as District Secretary since July 2009 and, in addition, is currently Technology Committee Chair.

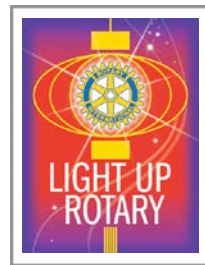

We look forward to John leading our District with passion and enthusiasm in 2016-17.

Congratulations John!

The benefit for Harvey Gonzalez, club president in Tonopah on January 25 was an amazing community event attended by 500 people, organized by Tonopah Rotarians. Over \$40,000 was raised to help Harvey and his family as he battles cancer and fights for his life. Thank you to all the Rotarians who made the trip to Tonopah and for all the support. Please keep Harvey in your thoughts and prayers.

RI President-elect Gary C.K. Huang chose *Light Up Rotary* as his theme for 2014-15. Huang is urging club members to *Light Up Rotary* by hosting a Rotary Day in their community, continuing our fight against polio, and increasing club membership. "*Light Up Rotary* is more than our theme. It is how we make a difference -- every day, in every club, and every country we serve."

District Youth Service Chair, Steve Mestre, is working on an update of the Youth Service and Literacy Manual. If you have projects or information you would like to have considered for inclusion in the manual, please contact Steve at stevemestre@charter.net. The current manual is found on our District website, under Avenues of Service, Youth Service.
