February 22, 2016 Meeting Notes

President Long called the meeting to order at the usual time of 12:15. Dave Peeler led the pledge and Bob P. gave the inspirational thought. President Long continued to inform us that the Casino Night brought in around 16,000 dollars, which for me, being a glass is half full kind of person is pretty darn good. President Long then started accepting fines from those who felt they owed them. In particular and happily Ralph who has asked Susie to be his bride. Way to go you two!!

Our presentation was from Stephanie Ortiz Executive Dean of Sierra College Nevada County Campus who gave an interesting and informative talk about what is going on at our branch of Sierra College and where they want to go in the future. I for one have renewed

my goal to attend classes at the college as time allows. Better Luck next time, Steve Rosenthal. The black marble is still in the pot. Have a great day everyone. Yours, R. Toothman
