GARY C.K. HUANG

Rotary International President 2014-2015

[RI President 14/15 Gary Huang:](#)

This is my challenge to you. How you **Light Up Rotary**, how you light your own candle, is up to you "Light up Rotary." Confucius once said: "It is better to light a single candle, than to sit and curse the darkness." Although the Chinese philosopher died nearly 2,400 years before Rotary was founded, RI President 2014/15 Gary C.K. Huang calls him "the world's first Rotarian." Inspired by his teachings, Huang chose *Light Up Rotary* as his theme for 2014-15.

"There are so many problems in the world, so many people that need help. Many people say, 'There's nothing I can do.' So they sit there doing nothing. Meanwhile everything stays dark," Huang told the 537 district governors and their spouses and partners who are attending the 2014 International Assembly in San Diego, California.

"The Rotary way is the Confucius way. The Rotary way is to light a candle. I light one, you light one, 1.2 million Rotarians light one. Together, we light up the world," said Huang, who is a member of the Rotary Club of Taipei in Taiwan.

After announcing his theme at the opening session of the five-day training meeting, Huang urged club members to *Light Up Rotary* in the coming year by hosting a Rotary Day in their community and including local Rotaract and Interact members in their service projects.

"How you *Light Up Rotary* is up to you," Huang said. "You know where you are strong, you know what your community needs, and you know how you can help."
