MEETING HIGHLIGHTS

With our Zoom account being down, we could not do student of the month and that will be rescheduled.

Cinnamon Danielson of Women of Worth, told her own story of growing up in a violent household as a child and her heart is to focus on the children in these types of situations. Women of Worth has a safe house that is a dry safe house with many wrap around services to support the women, children, and families.

25% of all women will experience violence, and more than three women are murder everyday in the USA. 60% of all marriages have violence issues. Covid caused people to be stuck in their homes for an extended period of time which unfortunately resulted in violent situations.

This organization works with the Sacramento District Attorney on human trafficking and providing a safe house for those women.

How YOU can help: They need permanent housing; jobs placement; locating commercial property that could be transitional housing; the Butterfly Ball is next month which is a dinner and dancing event; monthly sponsors are needed for keeping the shelter going.

Kare Krisis nursery also collaborates with them to help with clothing and toys and supplies.

Communities Beyond Violence is a different organization and the main difference is that they are a zero barrier emergency shelter. They also work with Granite Wellness to help get people clean.

Women of Worth must be drug free to keep everyone safe for children. At Women of Worth they must do crisis counseling, self defense, Financial literacy, career coaching and they can stay as long as they are working on the program and they have child care on site.

Jennifer Malone brought her neighbor as a guest who was new to Rotary.

Lisa Swarthout announced martinis and a movie for the Hospital Foundation is taking place on Wednesday, March 22nd.
