### Club News

The club was dark this past Monday, October 26, 2020 because of a PG&E PSPS (Public Safety Power Shutoff) due to high wind advisories. That doesn't mean the members of the Rotary Club of Grass Valley sat around on their hands, waiting for things to happen. We MADE things happen! Saturday, October 31, was our 1st annual Trick or Tri-Tip Drive-Thru dinner. It was quite a success! All the early tabulations put the gross totals at close to \$5,000. Not bad for our first go around with this fundraiser. Thanks to our great team of volunteers who showed up to direct traffic and serve the diners in a COVID safe manner. And thanks to **Tom Stanley of Bill's Chuckwagon** for bringing his rig and grilling up the grub. Photos will be coming soon.

A BIG thanks to **Ken Holbrook** along with **Tim Salter, Larry Faller** and **Scott Spencer** (for procuring materials) for their work on the "9 square in the air" game at Lyman Gilmore Middle School. The students will be back on campus beginning November 2 and they will be greeted by 2 new games on their field, both made and donated by GV Rotary. The other game is the Gaga ball pit, previously reported on. Again, thanks for all of your hard work, team! And thanks to past president **Marcia Salter** for making this one of her projects.

Next up... **The VIRTUAL Gold Country Challenge** is November 4-8, 2020. No over the top cycling is
