MEETING HIGHLIGHTS

John Paul, from the 49er Rotary Club joined our meeting today. He was also one of our presenters with the [Laughter Shock Improve Group](#).

They shared several warm up games that they played with Marica and President Jesse. The group then played a game called "Message In A Hat" where they asked the crowd for a situation and then incorporated those messages into a crowd determined scene. They also played a game called "Freeze Tag." It started out with a scene and then someone says "Freeze" and then assumes someone's position on to start a new scene. Many laughs were had! This is truly a great way to strengthen a connection among members of your team and help everyone in the group work efficiently together to achieve a desired outcome!

ANNOUNCEMENTS & CONFESSIONS

A huge fundraising event for our club is quickly approaching!
Flyers are available at Sandra's Office.
Please sign up to volunteer if able. Meals can also be ordered online and donated.

Bob L shared that he went to Disneyland with his Grandkids and they walked over 120,000 steps over three days. He was fined \$80...with some creative accounting.

Marcia delivered a donation to Union Hill library for their reading project.

Pat shared a rotary minute with a reminder of the foundation drive to help End Polio. The video shared is about the impact of the Rotary Foundation.
