## A Message from the Club President

Our club has achieved much as we navigated through an unprecedented year during the Covid-19 pandemic. It has been my honor to serve as your President, and I deeply appreciate each of you and how you stepped up to continue our club's amazing tradition of serving across our community and the globe. Rotary truly does 'Open Opportunities'. To quote our RI President Holger Knaack - "Remember that everything we do in Rotary opens another opportunity for someone, somewhere." Thank you fellow Rotarians!!
