shared their experiences visiting Rotary Clubs, other community organizations, and Mayor Kirk Caldwell in a successful effort to schedule performances in Hawaii in June of next year. Young German musicians will offer concerts at the USS

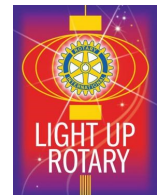

Missouri and play with the Royal Hawaiian Band and at Iolani School.

Jules Tuitele of the Angel Network, explained the role and function of the organization which operates out of Calvary by the Sea and serves the "hidden" population of East Oahu, those who need food ( the Network serves as many as 2,700 meals each month), clothing, a place to do laundry, a place to take a shower. Angel Network works with the Hawaii Foodbank which is sponsoring the 10th Annual Hunger Walk on Saturday, September 13.

#### Part 5 of 7 Part "Polio Plus"

Rotary launched its PolioPlus program, the first initiative to tackle global polio eradication, in 1985. Since then, Rotary and its partners have helped reduce the number of annual cases from 350,000 to fewer than 250 and remain committed until every child is safe from the disease. Rotary has contributed more than US\$1.2 billion and countless volunteer hours to protect more than 2 billion children in 122 countries. In addition, Rotary's advocacy efforts have played a role in decisions by donor governments to contribute over \$9 billion to the effort.
