The Halloween Party to End all Halloween Parties!

Were you there? Every Halloween creature was there, including some frighteningly masked, bulging-eyed demons rarely imagined – even in our ghoulish dreams. A witch, the image of the wicked witch from The Wizard of Oz; a skeleton or two; a horrific tangled-haired something-or-other, Hello Kitty and, even, Dr. Ben Carson just barely describe an array of folks that will haunt your Halloween dreams.

Before the party! The Disaster Preparedness team met with Crystal Van Beelen from the Department of Emergency Management, Rock Arakaki and Officer Joe from the Waianae Coast Rotary Club. We agreed on our first steps in developing East Honolulu's initiative. Briefly, we will model our efforts after other clubs, and align ourselves with the Waianae Club that has successfully implemented their own programs.

Highlights: Two new Rotarians were inducted. We welcomed Kelli Chun and Erin Palmer to our growing team. Both bring amazing gifts to the organization and we encourage you to get to know them, just as you have graciously welcomed other recent members. Kelli, weirdly masked, brought down the house with her costume and antics and, by the way, she won the best costume award for women. Lest I forget, Fabian Lewis – our Dr. Carson - won the best costume award for men. Both costumes were unforgettable!
