## NEWSLETTER

It was our pleasure to welcome our guest speaker, Malia Harunaga, Project Manager, Adult Education & Senior Cycling Leader for the Hawaii Bicycling League.

A 501©3 non-profit organization, Hawaii Bicycling ([www.hbl.org](http://www.hbl.org)) offers opportunities for everyone, from keiki to kapuna, to ride bicycles for health, recreation and transportation.

What stood out in her presentation was the vast array of information offered that might entice you to look at their website either to meet your own interests or those of family members or friends who might benefit from knowing more about Oahu's oldest and largest cycling organization.

Examples of their services include:

Offering educational workshops and presentations, such as the one we enjoyed.

Hosting large and small scale events, such as the Honolulu Century Ride and Oahu Bike Count.

Advocating for changes that will encourage more people to ride bicycles.

Clearly marking travel lanes for bicycles in order to improve Honolulu's road safety.

As Malia suggested, please visit their site and see why support from people like us will help all of us to encourage the fun and benefit from the rewards of bicycling. Their webpage is well worth the few minutes it takes to read. It is beautifully written, visually enticing and will help you to learn about the many ways you can be part of Hawaii's bicycling future.

All proceeds support the Rotary Club of East Honolulu and  
benefit service projects in our community.

Tickets are going fast.  
Don't miss this geat event!

I just wanted to give you a heads up.

I will be in charge of "Rice Drive" on 11/21 and wondering if any of you can join me. My mother used to say that be grateful when you have the basics, roof over your head, food and clothes.

We can all make a difference by gifting them with one of the basics.

Please let me know if you can join me on 11/21 to organize and collect donations.

Here is a video and information about Angel Network Charities.

This helps to put a human face on the homeless of Kakaako.

Aloha
