*"I am thankful to all the rotary club members for supporting the
Pacesetters program.*

*I am especially thankful to those members that have taken us
under their wings and*

*showed up to every meeting and helped us at every turn during
this amazing experience.*

*I have learned a lot, and I look forward to giving back and helping
the next class of Pacesetters.*

*I think that this program has potential to make a tremendous im-
pact and I am proud to be*

*not only a part of it, but one of the first Pacesetters. Thank You all
for everything."*

2014 Pacesetter

The Pacesetters Program is a "feel good" story for our entire club. A result of our strategic visioning in 2012, it came to life last year as we trained and mentored six college students for workplace readiness.

On February 23, the always charming Linda Char, the dedicated and professional Fabian Lewis (himself a Pacesetter Fellow), and the attractive and less-than-technologically-savvy Donna Prather wrapped up the 2014 program by sharing a Pacesetters video with the club (Watch again at : <http://origmedia.com/2015/02/06/pacesetters-rotary-club-east-honolulu/>) as well as a brief analysis of the program's clear effectiveness. This RCEH program is *transformative*.

We are now recruiting Pacesetters for the 2015 program that will run from mid August to the first week in December. If you have questions, please contact Donna: dprat89233@aol.com

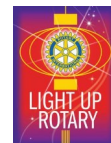

If you know a college student who might benefit from team building, training in effective communication and critical thinking skills for the workplace, and mentoring from Rotarians and other professionals in the community, please request a brochure and application: [<hawaiipacesetters@gmail.com>](mailto:hawaiipacesetters@gmail.com)

February 21, 2015

Aloha,

Rotarians will celebrate 100 years of Service Above Self in Hawaii, when the Rotary Club of Honolulu marks its Centennial July 1, 2015 through June 30, 2016. The milestone will be marked by a special section of the Honolulu Star-Advertiser, which will be included in the July 1st issues of major newspaper publications statewide.

The special section will feature stories, photographs, and an overview of all Rotary Clubs in District 5000, as well as a chronicle of the evolution of the 'mother club'. We need and welcome your support!

The Honolulu Star-Advertiser and the Rotary Club of Honolulu invite you and or your business and others in the community, to purchase an ad in this supplement to demonstrate the appreciation and support of Rotary's impact in communities at home and around the world. This is an excellent opportunity to take advantage of the special package pricing offered by the Honolulu Star-Advertiser.

Jay Higa, Director of Advertising/Business Development and Honolulu Star-Advertiser Associate Publisher, will be our contact for this project. If you are interested in being a valued part of this statewide Centennial keepsake, and want to take advantage of the preferred Early-Bird rates, please contact Jay at (808)529-4712 or through email at jhiga@staradvertiser.com.
