## NEWSLETTER

This is our big push for the next two weeks. We need 150 tickets sold by May 6th through the 13th. It is going to take every member their best effort to make the deadline. If each member just purchased 4 tickets for themselves and family members or two for themselves and sold two we would have an overflow crowd and make lots of money for Roy Lee's term as President. Let go get it done!!!

Also wanted to let you know that the District Conference early registration fee deadline has been extended to December 31, 2015. See flyer attached.

One of the conference keynote speakers is Deepa Willingham of the Rotary Club of Santa Ynez Valley, who was recognition on International Women's Day as a woman who works tirelessly on behalf of others, and whose efforts touch lives across the world, often in remote and inhospitable places.

Willingham is founder and chair of PACE Universal (Promise of Assurance to Children Everywhere), a nonprofit organization that educates girls in the world's poorest areas and works to prevent child trafficking. Working with Rotary clubs around the world, the center she formed provides education, microloans, health care, clean water and sanitation, and community infrastructure. "Together, we have created a site that is affecting the lives of 30,000 to 40,000 people," Willingham says.

Check the district website at [rotaryd5000.org](http://rotaryd5000.org) for more conference information (link on the bottom section of the home page.)
