We were dark last week as many members participated in the District conference on the Big Island.

Fabian Lewis, one of six 2014 Pacesetter Fellows, addresses a plenary session of the Rotary District 5000 Conference on the Big Island. Fabian shared his Pacesetter experiences in a talk that was both heartfelt and extremely well presented. After having finished, he was congratulated multiple times by conference participants who were moved by his Rotary program beneficiary story. Mahalo Fabian for representing the Rotary Club of East Honolulu!

Rushed over to Kalani High school Interact Club highway clean up project after the charity walk and found a Cherry Blossom Princess manning the grill for the year end social. Thank you [Celina Quach](#). Looking forward to having you join the Rotary Club too.

It can be hard to put the impact of Rotary into words, so I want to share this video documenting the way **gifts like yours are helping to empower female entrepreneurs in Honduras.**

Rotary is working with a local microfinance institution to provide loans and business classes to women who otherwise wouldn't have access to such opportunities. [See](#) how Rotary is helping these women to grow their businesses and pursue their dreams.

Thanks to dedicated donors like you, the Annual Fund equips our members with crucial funding to carry out these life-changing projects. If you've made a gift recently, I thank you for your continued support.

If not, **I invite you to make your next gift before Rotary's year ends on 30 June.** Our Foundation is on the verge of a record-breaking year as we strive towards our \$123 million goal. With your help we will continue to *Light Up Rotary* and make a lasting impact in communities like yours around the world.

Please share this remarkable story with your friends and family, as it demonstrates the impact you are making by being part of Rotary.

As always, thank you for supporting The Rotary Foundation.

Sincerely,
