This week was our fellowship meeting with many reports presented by our leadership. President Anne reported on the great time everyone had at District Conference on the big island. We were fortunate to participate in win-

ning several certificates, including the "Ignite" Citation, "Light Up Rotary" citation as well as the Presidents award, Rotary International Citation and both the ROTORACT and INTER-ACT citations. Check out the other citations on page 3. It was announced that for our first meeting in July the RI President will be in town and may visit our club. Just a heads up. Next years District conference will be on Oahu at the Hale Kulani Hotel. We have been offered a special room rate down from \$600.00 per night to only \$400.00. Order early and save a place for you and your spouse. We have also been informed that we need a Centennial Project for next year to present at the District Conference. Our newest Pacesetter graduate and member of our club, Fabian Lewis gave us a talk on why he became involved with the Pacesetters and Rotary after seeing what transpired with the membership and our Rotary Club, He also gave us a sample of his talk he presented at the District Conference which was very motivational.

Up coming projects for our club as follows:

Saturday, July 11th we will hold an evening Fellowship meeting. Location to be announced.

Saturday, July 18th is our back to school drive at Kahala Mall.

Saturday Morning at 9:30 we will meet at Magic Island for a Harbor Cleanup

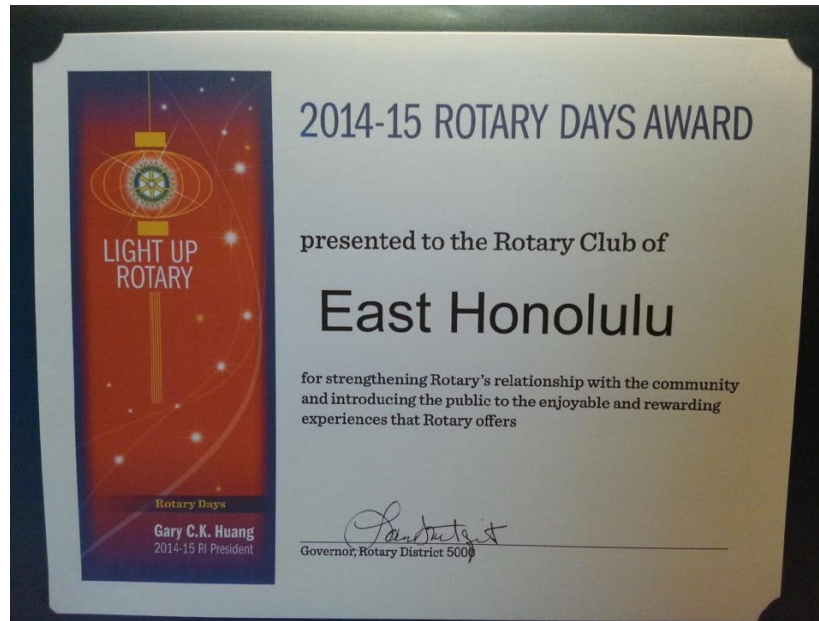

As you can see we will be very busy in July.

Blame it on our new President, a real mover and shaker. Expect great things for the coming year.
