Introduced by her dad, Augie T, one of Ha-wai'i's top comedians, our 16-year old Miss Junior Teen Hawaii, Mahealani Sims-Tulba offered her touching presentation about turning the negative experience of bullying into a positive outcome. We are grateful for her important mes-

sage to young people everywhere.

It is difficult to think of the beautiful Mahea as being bullied but, yes, she was a victim and this inspired her to help other students to **Be Respectful and Value Everyone** – hence, B.R.A.V.E. was founded. She is an entrepreneur, a beauty pageant contender and the author as well as the illustrator of her popular book – “It’s Okay to Be Different.”

Just imagine what lies ahead for this talented teen. More books, for certain. The combination of beauty, purpose and talent she brings to this Junior Teen contest is but a stepping stone to her future.

The YMCA PacLeaders Program, an outgrowth of RCEH's Pacesetters, is looking forward to a very productive 2016, and we wanted to keep you posted.

Ten college students have been accepted from among the applicants this year, and they represent UH Manoa, HPU, and KCC. The group has gotten together twice, once for a Meet and Greet and then for an orientation in April. This summer, the PacLeaders will participate in a social event to get to know each other better and have some fun before September when they will get down to the business of acquiring skills for their future careers.

We hope to be able to reach out to our Rotary friends and invite them to training events in the fall when we feature young professionals and more experienced professionals in discussions with PacLeaders. I look forward to seeing you then and maintaining the ties of support for the program.

Here's a year-end tax tip: Buy a Polio Plus Volcano mug, donate \$10 to Polio Plus and get tax deduction for your donation. Email Charlene Meyers at CharleneVolcanoRotary@gmail.com or call DG Del Green at 808-523-2363 to get a case of mugs (36 in a case). Did you know we are down to only 2 countries with polio cases?

Also wanted to let you know that the District Conference early registration fee deadline has been extended to December 31, 2015. See flyer attached.

One of the conference keynote speakers is Deepa Willingham of the Rotary Club of Santa Ynez Valley, who was recognition on International Women's Day as a woman who works tirelessly on behalf of others, and whose efforts touch lives across the world, often in remote and inhospitable places.

Willingham is founder and chair of PACE Universal (Promise of Assurance to Children Everywhere), a nonprofit organization that educates girls in the world's poorest areas and works to prevent child trafficking. Working with Rotary clubs around the world, the center she formed provides education, microloans, health care, clean water and sanitation, and community infrastructure. "Together, we have created a site that is affecting the lives of 30,000 to 40,000 people," Willingham says.

Check the district website at rotaryd5000.org for more conference information (link on the bottom section of the home page.)
