

ROTARY CLUB of EAST HONOLULU

Weekly Meeting Monday at 12:00 Noon—Waialae Country Club

NEWSLETTER

It was a privilege to welcome Clint Shroeder as our guest speaker this past Monday.

While we all know Clint as our District 5000 Governor, our time together gave us some more insight into Clint, our neighbor and friend.

Briefly, Clint told us of his journey with Rotary beginning with his membership in the Loveland-Thompson Valley Club in Colorado. He relocated to Hawaii in 2005 and, from that day forward, his passion for Rotary, as well as his commitment to giving back to his community, has never wavered. Clint began his presentation by telling us the story of two seas; the Dead Sea and the Sea of Galilee. He reminded us that both take in water from the River Jordan but that's where the similarity ends. There are no fish swimming in the murky waters of the Dead Sea and no outlets by which to hydrate the land surrounding the Sea. The Sea of Galilee, on the other hand, is replete with thousands of fish and outlets of benefit to one and all.

Clint then reminded us of this year's theme

- "Rotary Serving Humanity" -

providing hope to many millions of people worldwide.

*Hope, nourished by our hard work and donations,
eradicates diseases like polio around the world.*

*It is through Rotary, one of the most powerful service
organizations in the world, that we are changing the
world.*

Clint concluded his presentation by asking each of us to contribute to eradicating polio.
