NEWSLETTER

We had the annual visit of our new District Governor Del Green giving us his take on what he

would like us to accomplish this year. Dave Livingston the Assistant DG introduced DG Del. The theme of the governor's speech was "Be a Gift to the World" which is Rotary International's theme. Upon his introduction as President, he showed up to his first meeting and found nobody waiting for him, wondering if anybody was going to show up. While waiting he reflected on his past participation in Rotary, being known as the party animal and not very active in projects and participation of his club. He felt bad for the other members who spent their time and energy making the club successful. In reflection he wondered why he joined Rotary, discovering it was for the friendships and community service available through club activities. DG Del had issues initially with the theme of "Be a Gift to the World" but on reflection decided that what a great theme for the centennial year in Rotary. "Be a Gift to the World" was so appropriate for the new year.

**District Governor
Dell Green**
