### As if by Magic... & Rotarians

#### **Garden Boxes Grew For Needy**

A well organized Saturday in May, saw Rotarians gather to build new raised planter beds for homeless folks to grow vegetables. High up on Sierra Drive they gathered with do-it-yourself boxes, added soil and plants, watered well, then looked up the slope at their handywork. Thanks to PDG Chet, President Jan & others, to be noted in the next RCHK Newsletter.

## President Jan's Message

My Fellow Rotarians,

### **Island Brew Club Assembly 5/12/15**

We have just come through a very exciting week for our club with the *change in venue* and a fun evening celebrating **Cinco de Mayo - Meet & Greet**. Though there was not a large direct membership drive, I think we engaged a few great prospects for Club Membership. So now let's go forward with a bounce in our step, now more engaging and productive. Ole'!!

#### **At Tuesday's Club Assembly Meeting**

we will complete the review of our Bylaws and Club Constitution, vote on the changes and send them off to DGE Del as he requested.

Lots more to discuss. For example, thanks to **Jeremy's** leadership, we are proceeding well with our 2<sup>nd</sup> annual **Rotary Saves Lives** coming up the 4th July, at Hawaii Kai Shopping Center. He'll update the status, including how we all can help achieve another fabulous success, following last year's smashing opener! Duck Race? Yes, **General Chair PDG Chet** will bring us up to date on **Ducky Dash - 2015**, including the big picture, plan of action including the wonderful opportunity to create substantial income to expand our Scholarship Programs as well as existing and new community events projects. Please be there, this is an important meeting, with discussion & decisions to be made. Great food & coffee drink help set the pace for action.
