Aloha fellow Hawaii Kai Rotarians.

Thank you for the honor of being selected as our club President this year. What a privilege! This would not be possible without those who have paved the path to where we are now—most recently, Judy, Chet and Henry. A big Mahalo to them and all who came before!

Vision -

In order to grow our influence in the community in the long run, we need to multiply our time, talent, and resources by increasing our membership. My vision for our club this year, is to bring Rotary into the community through two main avenues:

1. We will hold a few of our meetings At different small businesses in our

community to build stronger rapport and working relations.

2. Return to one of the founding concepts and purposes of Rotary, which is networking in order to, in the long run, increase our fundraising capacity and sphere of influence in our community and internationally.

Tour de HK, Hawaii Kai, is the theme for my Rotary year. Having a theme is a strategic aspect of our inspiration for our little club to continue to do big things in our community.

I look forward to representing our club, working with the new board and committee heads, and moving forward on new, interesting, innovative projects.

My very best, Nick Abbott
President

DG Chet Dal Santo, Welcome Home
