and see the faces of these 7 and 8 year olds light up when
we give them their very own dictionary.

Several of our clubs have
received their dictionaries
and the statewide distribu-
tion to 3rd graders has be-
gun. Please participate in
your club's dictionary distri-
bution, if possible. It is such
a rewarding experience to
visit a 3rd grade classroom

From our District Governor Chet Dal Santo Newsletter:

September is New Generations Month. We will need to work with the Interact, Rotaract, and Early Act Clubs to help inspire our new leaders in Hawaii. Dave Livingston will be contacting all of the clubs on Oahu to assist with RYLA. All of the clubs on the neighbor islands are also hard at work prepping for RYLA.

At the urging of some of the club presidents, we have changed the name of our district fund raiser in January to “Rotary Rice Rally”. The goal is to collect 16 bags of rice, or equivalent (\$15 equals 1 bag), per member. Please get your Interact and Rotaract clubs involved. We want to make this a state-wide project and promote the results at the peace forum.
