The New Focus

THE NEW FOCUS

A 3-hour presentation based on four key concepts gleaned from the siegel+gale report, a report that has fundamentally changed traditional thinking about members in Rotary. It introduces some very basic simple tools that District and Club leaders can adopt with immediate actions to attract and retain members consistent with the siegel+gale concepts. Club members attending will experience a dynamic, interactive training on how to attract new members as well as retain current members.

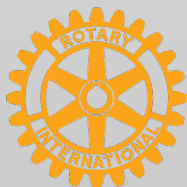

Who should attend: Presidents, Presidents/Elect, current and future membership chairs and other club leaders

Who provides the training: A team of two experienced, high motivational trainers, provided by Rotary Zones 25 & 26. There will be "hands on" exercises to involve the entire audience. Session handouts and materials will be made available.

What is the District Assembly

The District Assembly offers motivation, inspiration, Rotary information and new ideas for officers, directors and key committee chairpersons of each club. Some of the most experienced district leaders conduct informative discussions on all phases of Rotary administration and service projects. The assembly gives all participants valuable new ideas to make their club more effective and interesting. The incoming district governor reviews the program theme and emphasis of the RI president for the coming year. District goals and objectives are also described, and action plans are developed for their implementation. The success of each Rotary Club is frequently determined by the club's willingness to participate in the district assembly and be prepared to learn the tools and resources for an efficient and effective Rotary Year.
