WORDS OF WISDOM

"IT'S ALL THE LITTLE THINGS THAT WE DO THAT
MAKES A BIG DIFFERENCE IN THE WORLD."
- ANONYMOUS

Kathleen McGilvray is a proud contributor to the YWCA's nearly 100 year legacy of community commitment, celebrating women & girls, & eliminating racism. She has 17 years of management experience with private industry, government, & nonprofit sectors, in addition to experience working as a funder & recipient of human service program funds.

Kathleen was attracted to the small town feel of Hilo, which reminded her of the rural area where she attended high school & has since lived in East Hawai'i for 11 years. She loves to cook, garden, & dances Argentinian Tango at the YWCA.

YWCA of Hawai'i Island is a non-profit organization that is "dedicated to eliminating racism, empowering women, & promoting peace, justice, freedom, & dignity for all." It is governed by a board of members who generously volunteer their time to represent the membership of YWCA. The YWCA is comprised of both men & women of all ages, ethnicity, & occupations & graciously accept members of any, all, & no religious preferences.

The YWCA provides its members with access to the many facilities & opportunities including:

YWCA Aquatics: The solar-heated salt-water pools are great for water aerobics, swimming lessons, & rental for parties

YWCA Preschool: The only nationally accredited preschool for 2 to 5 year olds on Hawai'i Island with swimming as a part of the curriculum.

YWCA Summer Childcare: All children from grades K-6 are able to participate in activities that foster creativity, promote healthy choices, & respect for self & others. It is also the only licensed summer school program with an on-site swimming pool.

YWCA Healthy Start & Enhanced Healthy Start: The only home visitation program in East Hawai'i to prevent child abuse, neglect, & provides support for children newborn to 3 years old & their families. Enhanced Healthy Start is for families referred by the Child Welfare Services system.

YWCA Teen Court: The only way Big Island juveniles are able to own & make up for their first time offenses & wipe their records clean. Teen peers will then create a sentence ranging from community service to counseling.

YWCA Sexual Assault Support Services: The only 24/7 rape crisis center for all of Hawai'i Island that offers free support services which include victim crisis counseling and therapy.

It was also mentioned that Lorraine Davis celebrated her 10 year anniversary with YWCA. Congrats Lorraine!

VOLCANO WINERY

Volcano Winery has been in business for 25+ years, while Del & Marie Bothof have owned it for the past 14 years. Their love for the community along with their staff of 10+ years is what she says is one of the best parts about her job.

The Winery has seen a few changes over the years, however their ultimate goal still remains to be the commitment to produce unique, award-winning wines. Their wide selection of grape wines, fruit wines, & honey wines are what make their winery special. They have since introduced tea plants which have also been infused in a specialty wine called the Infusion as well as black & white tea.

Volcano Winery will also be hosting its 1st Harvest Festival on **September 15 from 4-7 pm**. Pupus & of course, wine will be served along with music by Lito Arkangel. Pre-sale tickets are \$25 each & \$30 at the door. For more info, contact Marie Bothof.
