"The line between failure and success is so fine that we...are often on the line and do not know it. How many a man has thrown up his hands at a time when a little more effort, a little more patience, would have achieved success. A little more persistence, a little more effort, and what seemed hopeless failure may turn to glorious success."

Happenings & News This Week

Rotary Foundation Month

It's Rotary International Foundation Month and Sandra Wagner-Wright urged members to give, even at a nominal amount of \$10. Packaged with other Club-member contributions, it goes a long way, and much of it come back to us through district designated grants.

We sometimes think Foundation money is used for international projects overseas, but that's only part of it. Grants help locally and across the U.S. Sandra gave this example of how Foundation contributions work:

In June 2013, the Yarnell Hill, Arizona fire claimed lives of 19 firefighters, destroyed over 100 homes, severely damaged Yarnell Water Improvement Association's water system. Estimated cost of Repair: \$1.5 million

With a \$89,000 Global Grant, The Rotary Club of Prescott-Sunup (AZ) partnered with RC Weonju (South Korea) & Alliance Service & Control Specialists (Phoenix) repaired damaged system. Grant Contributions from Rotary Clubs in Mexico, Germany, Canada, and the Cayman Islands. For [more information click here.](#)

Please give to the Foundation: Write a check, pay at our registration desk with a credit card, or go to RI website and make either a one time, or recurring gift. And, remember, November happy dollars go to the Foundation. 92% of contributions go to project funding, 2% to administration and 6% to fundraising. RI Foundation has a 4 star rating on Charity Navigator.

Write your check to the FoodBasket, but give it to her, or at the Wednesday registration desk, so we can present our Club's gift (and tally our contributions) all at once.
