

All about Rotary and the Rotary Club of Honolulu

Rotary International is headquartered in Chicago. About 1.4 million members in about 150 countries.

The purpose of Rotary is SERVICE—both to the local community and to the international community. Our theme changes each year in July—the theme for this Rotary year is:

Our **Rotary Club of Honolulu** was started in 1915—just 10 years after the founding of Rotary International in Chicago.

Rotary clubs vary in size from 15 to 500, **our Rotary Club of Honolulu has over 100 members**. We meet for lunch most Tuesdays—

-
- To get acquainted,
 - discuss how we can serve both the Honolulu and international community,
 - organize, and
 - hear a speaker to learn the many aspects of our community.
-

Community Service

Recently our volunteers did:

-
- three community help projects at **Pālama Settlement**, and at
 - at **RYSE Hawaii and YO House**, and at

- **YMCA Camp Erdman** and **Central YMCA/Atkinson**.
-

Internationally a group of us traveled to Cambodia to help build houses last fall and we did a project in the Philippines to help build a school in late March.

We are glad to **volunteer** our Club-raised money and our member's hands-on labor to help make the **RYSE Shelter** in Kailua a better place for **youth** to recover, reside, be supported, and be empowered to develop helpful and successful lives into the future.

Community service is a prized commodity that all our citizens should embrace. Leaving it all to our government agencies and to a few good people just doesn't provide for the wonderful place that we want Hawai'i to be. Rotarians are proud and glad to lead in community service.

Want to pitch in and help with this project—just tell Reese.

All Rotarians subscribe to, and try to faithfully live by the **FOUR WAY TEST** of things we think, say or do:

1. Is it the truth?
 2. Is it fair to all concerned?
 3. Will it build goodwill and better friendships?
 4. Will it be beneficial to all concerned?
