President TOM COYNE,
Rotary Club of Honolulu

Dear President TOM COYNE,

We hope you and everyone at Honolulu RC are doing well and that the club events and projects for the 2024-25 fiscal year are progressing smoothly.

As our club celebrates 100th anniversary this year, we would like to express our sincere gratitude for your generous support of our international service commemorative project, "The Japanese Schistosomiasis Eradication Project in the Poso Region of Sulawesi, Indonesia" with a contribution of \$20,000 last year and an additional \$30,000 this year.

As We have already reported, the groundbreaking ceremony for the project took place last December, and the irrigation works are progressing well on scheduled.

As we embark on this international service project, we have received an advice from Master Genshitsu Sen to join hands with our sister clubs to create greater strength and advance together. We have reached out to all sister clubs, and I deeply appreciate that Honolulu RC has acted quickly to provide substantial support, becoming a significant force in this endeavor.

Thanks to your support, we are now able to expand the scale of the project beyond our initial plans, and We believe that we are one step closer to eradication. In the Poso region of Indonesia, there are still many villages waiting for the start of this project, and we intend to use the funds you have generously provided effectively to ensure the health of those people as soon as possible.

I would like to express my heartfelt thanks for the unwavering friendship and passion for service activities from everyone at Honolulu RC.

2024-2025 President: Makoto Ichikawa,
Rotary Club of Kyoto

Chairperson of International Service Activities: Jun Shirasaka,
Kyoto Rotary Club 100th Anniversary Commemoration Committee
