Aloha e Nancy,

On behalf of the entire Hale Kipa 'ohana, I extend our deepest mahalo for **Rotary Club of Honolulu's** generosity and steadfast belief in our mission. Your support is not simply a gift—it is a meaningful act of mālama that helps ensure young people in Hawai'i are seen, protected, and given the opportunity to heal and thrive.

At Hale Kipa, we walk alongside youth and young adults who have experienced trauma, instability, and hardship. With your support, we are able to provide safe spaces, nurturing relationships, and culturally grounded healing that restore hope and foster self-sufficiency. Your generosity addresses urgent needs today while also investing in long-term solutions that honor each individual's dignity, strengthen resilience, and embody the true spirit of aloha.

There is an 'ōlelo no'ēau that beautifully reflects the impact of your generosity:

"A'ohē hana nui ke alu 'ia."
No task is too great when done together.

We gratefully acknowledge your gift of **Five Lenovo Chromebooks, received on June 24, 2026**, in support of our youth pursuing their educational goals. Contributions like yours are part of a broader movement of care that uplifts our most vulnerable youth and young adults. Together, we are helping to build a future where they are defined not by what has happened to them, but by the possibilities that lie ahead.

Mahalo for standing with Hale Kipa and for entrusting us with this important kuleana. We are deeply grateful for your continued support and for the hope you help cultivate each day.

Me ke aloha nui a me ka mahalo pau 'ole,

Venus Kau'iokawēkiu Rosete-Medeiros
President & CEO
